According to this flyer, this picture had been compiled by

the American Academy of Asian Studies at the request of the Indian Government with narration by QUENTIN REYNOLDS. This flyer further indicated that the movie was being sponsored jointly by the Immanuel Evangelical and Reform Church of Hinsdale and the West Suburban Fellowship of Reconciliation.

According to [redacted] QUENTIN REYNOLDS was listed as the narrator and he, [redacted] knew the meeting was Communist inspired. [redacted] knew [redacted] to be a Communist sympathizer since documentary evidence in the possession of the American Legion National Headquarters, Indianapolis, Indiana, had proven this point. [redacted] attempted to organize a group of young people in an effort to reveal to the people the true nature of this propaganda film by participating in a general discussion after the showing of the film. Due to the short time afforded [redacted] he was unable to organize such a group but did attend the showing of this film with [redacted]

[redacted] Illinois, [redacted] Illinois.

Prior to the showing of this film, an individual, whom [redacted] later identified as Reverend DONALD PRIESTAF, minister of the Immanuel Evangelical and Reform Church of Hinsdale, spoke for approximately 15 minutes. [redacted] could not recall Reverend PRIESTAF's exact words; however, in effect Reverend PRIESTAF counseled the young men in the audience to avoid military service. [redacted] was unable to furnish any quotes from Reverend PRIESTAF's talk and the statement "avoid military service" was not made by Reverend PRIESTAF, but the talk was pointed along that vein. Reverend PRIESTAF did not at any time mention the draft or Selective Service System, nor did PRIESTAF make any statement advising his audience to avoid the draft. Upon reflection, [redacted] was not sure that Reverend PRIESTAF had used the term "military service" in his talk.

[redacted] indicated that he and his friends did not participate in the general discussion since it would have been necessary to have viewed a second propaganda film about the United Nations.

[redacted] advised he is duly registered with the Selective Service Board and has no intention of avoiding military service in the defense of the United States.

SUBJECT: Nasser's Nationalization of the Suez Canal

INTERNAL SECURITY DIVISION

ATTORNEY GENERAL

There has been a great deal of talk about President G. A. Nasser's recent act of nationalizing the Suez Canal. Of course, the lying Jewish press and radio have been making a big thing of it, putting it on good and thick: denouncing the act, vilifying Nasser, and distorting every piece of relevant news beyond recognition.

The machinery of the Invisible Government in Washington is humming too. That Jewish stooge, old "massive retaliation" himself, John Foster Dulles, and other members of the subversive Eisenhower "team" have blasted Nasser and threatened vast reprisals.

Several points should be made quite clear once and for all. Nasser has done nothing that the United States hasn't done and isn't doing right now down in Central America at the Panama Canal. He hasn't closed the Suez Canal and has no intention of doing so. Britain's bloody trade with Communist countries is not being cut off. Egypt has done nothing illegal or unwarranted. Contrary to what the Jewish press is trying to make people believe, there is no international crisis and no reason for panic.

In passing, it is interesting to note that while Britain opposes an economic blockade against Red China, she is now advocating the like against Egypt. Apparently she feels more at home with Communist than with anti-Communist nations.

We congratulate Nasser for his action. He is a fearless Nationalist who has been unmercifully tormented by the West, most noticeably by the Jew-dominated U. S. His decision was based on courage and that which is right. We might well take a lesson from the brave president of Egypt.

We suggest that the sick old man in the White House keep his Red fingers out of Nasser's business and confine his treason to domestic matters.

Furthermore, we appeal to the American people to beware of Jewish anti-Arab hate propaganda. The Jews are looking for the slightest excuse for involving the U.S. in a war in the Holy Land - a third Jewish world war: intended to kill off more Christians and to throw the entire Middle-East into the lap of Satanic Israel and the communistic-Talmudic Jews. - - - - - From an article by F. Allen Mann.

SHEDDING THE BLOOD OF CHRISTIANS

The greatest triumph yet achieved by the Pharisaic Conspiracy to subjugate the world is to transform Christianity into the instrument of ITS OWN destruction!

Have today's corrupted Christians strayed so far from the TRUTH that we are actually ASHAMED of Jesus, dying in agony on the Cross for US? Are we EMBARRASSED because His sacrifice reminds us of WHO caused Our Blessed Savior to be crucified? and why THEY committed this Satanic atrocity? Are we so blind in our arrogant ignorance that we fail to see that a living Red Hell is gradually being drawn around US right here on Earth?

THE WARNINGS OF THE MARTYRS

Let us heed the undeniable words of St. John the Apostle: "For this purpose the Son of God was manifested, that he might destroy the works of the devil." I John 3:8.

"Ye (Pharisees) are of YOUR father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." John 8:44. Christian, would YOU dare deny these indispensable words of wisdom with which Christ Militant exposed the Pharisaic Conspiracy? words which for 1,600 years protected His followers from the evil conspiracy of the Synagogue of Satan!

In addition to the repeated warnings on this all-important subject contained in the canonized books of the New Testament, the other early Scriptures of the Church are steeped in this theme. "Wherefore the Son of God came in the flesh for this cause, that he might fill up the measure of their iniquity, who have persecuted his prophets unto death; And for the same reason also he suffered." General Epistle of Barnabas 4:15.

To explain to our modern, Judaized, brotherhood-blinded Christians, who are no longer able to grasp the penetrating significance of this revelation, we repeat a portion of the most fearless words of

TRUTH ever spoken, Jesus' point-by-point exposure of the Pharisaic Conspiracy—THE 23rd CHAPTER OF MATTHEW!

"Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, and say, 'If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets.' Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" Matthew 23:29-33.

The early Fathers of the Church understood full well the treacherous tricks of the Pharisees. St. John warned Christianity for all time, "I KNOW the blasphemy of them which say they are Jews, and are not, but ARE the synagogue of Satan." Revelations 2:9. No organization has EVER had a synagogue but THE PHARISEES!

Those who call themselves Jews would have you believe that their religion is based upon the Laws of Moses. But, read what Talmudic Professor Louis Finkelstein (the same who taught "Jewish Law" to Earl Warren, Chief Justice of the Supreme Court) wrote in "The Pharisees", published in Philadelphia, Penn., by the Jewish Publication Society of America, in 1946:

"PHARISAISM BECAME TALMUDISM, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name inevitable adaptation of custom, and adjustment of Law, THE SPIRIT OF THE ANCIENT PHARISEE SURVIVES UNALTERED."

To bring you up to date we present these words of enlightenment from THE JEWISH ENCYCLOPEDIA under PHARISEE: "Henceforth Jewish life was regulated by the teachings of the Pharisees; the whole history of Judaism was reconstructed from the Pharisaic point of view, and a new aspect was given to the Sanhedrin of the past. A new chain of

105-53447-5

tradition supplanted the older, priestly tradition. Pharisaism shaped the character of Judaism and the life and thought of THE JEW FOR ALL THE FUTURE."

Nicodemus, the same who assisted in the burial of Jesus, wrote: "O SATAN, prince of all evil, author of death, and source of all pride, thou shouldst first have inquired into the evil crimes of Jesus of Nazareth. Why didst THOU venture, without either reason or justice, to crucify him?" Gospel of Nicodemus 18:12-13.

St. Ignatius, a disciple of St. John the Apostle and second Bishop of Antioch, wrote several epistles of final instruction while he was en route to his martyrdom in Rome. Several of these epistles are identical as to subject matter, standing as an undeniable Rosetta Stone translating early Christian terminology.

"It is absurd to name Jesus Christ, and TO JUDAIZE. For the Christian religion did not embrace the Jewish, but the Jewish the Christian. These things, my beloved, I write unto you; not that I know of any among you that lie under THIS ERROR; but as one of the least among you, I am desirous to forewarn you, that ye fall not into the SNARES OF FALSE DOCTRINE." Epistle to the Magnesians 3:11-12.

"Not that I know there is anything of this nature among you; but I fore-arm you, as being greatly beloved by me, foreseeing the SNARES OF THE DEVIL." Epistle to the Thessalonians 2:6.

"But if any one shall preach the JEWISH LAW unto you, hearken not unto him; for it is better to receive the doctrine of Christ from one who has been circumcised, than JUDAISM from one who has not. Flee therefore the wicked arts and SNARES OF THE PRINCE OF THIS WORLD (SATAN); lest at any time being oppressed by his cunning ye grow cold in your charity." Epistle to the Philadelphians 2:6, 8.

"But I arm you beforehand against CERTAIN BEASTS IN THE SHAPE OF MEN whom you must not only not receive, but if it be possible must not meet with. It will therefore become you to abstain from such persons, and not to speak with them neither in private nor in public." Epistle to the Smyrnaeans 2:2, 18.

St. Ignatius' restatements of this same idea in slightly different words leave no doubt whatsoever that PHARISAIC JEWS, THE DEVIL, and SATAN were used interchangeably by the early Christian

Fathers, and that these "beasts in the shape of men" posed the most crucial danger to Christ's Church. These are interdictions FORBIDDING Judeo-Christian brotherhood!

St. John likewise FORBADE brotherhood with the anti-Christ (II John 9-11). Every Christian MUST study the First and Second Epistles of John in order to comprehend the damnable PRESENT-DAY perversion of Christian brotherhood by the SAME Synagogue of Satan!

Let us marvel at the commandment of Barnabas PROHIBITING brotherhood with the Pharisaic Conspirators: "Thou shalt not keep company with such kind of men (human hawks) as know not how by their labor and sweat to get themselves food; but injuriously ravish away things of others; and watch how to lay snares for them; when at the same time they appear to live in perfect innocence."⁶ General Epistle of Barnabas 9:4.

For those who fail to understand about WHOM Barnabas wrote thus, we repeat more words of wisdom from the Master Himself:

"For they (the Pharisees) bind heavy burdens and grievous to be borne, and lay THEM on men's shoulders; but they THEMSELVES will not move them with one of their fingers. Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation. Ye outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity." Matthew 23:4, 14, 28.

THE SUBVERSION OF CHRISTIANITY

That today's great infiltration into Christianity by the Pharisaic ensnares has reached an advanced stage SHOULD be self-evident to all who have eyes with which to see. THE REVISED STANDARD VERSION OF THE BIBLE is a Pharisaic alteration of Christian Scriptures "for partisan purposes", a victory about which the anti-Christ bragged esoterically in the NATIONAL JEWISH POST, Feb. 22, 1957, page 13. The National Conference of Christians and Jews is nothing more than a one-sided feast of the Lion of Judah upon the Lamb of Christ!

That the ensnarement of the clergy of the Christian Churches is a vital objective of the American Jewish Committee is expounded in their secret annual budget reports, copies of two years of which have been captured by soldiers of Christ. We quote from their 1953 BUDGET:

"CHRISTIAN religious education, a subject OF MAJOR CONCERN to the American JEWISH Committee within the past few years, has likewise enjoyed a phenomenal development.

"As the church gains strength, new responsibilities obviously devolve upon OUR (Interreligious Activities) Division if WE are to help influence the attitudes of Americans through their church experience. The religious school, which now embraces a substantial segment of American youth, bears even more careful examination than in the past. As a result of our closer associations with religious educators, we are in a better position to encourage them to assume greater responsibility, both for eliminating prejudicial material and for making constructive intergroup (inter-racial) education a part of their programs.

"OUR (!) Christian educators have come to regard OUR agency as having special competency in intergroup education and have no hesitation in calling upon us for counsel.

"The Production and Magazine Division (of the AJC) frequently supply us with materials for use in Protestant and Catholic press; stories and illustrations for curricular materials, etc. (OUR SUNDAY SCHOOL LESSONS!!)

"The Radio and Television Division (of the AJC) furnishes guidance in religious programs and alerts us to objectionable material used by these media in programs having religious content, particularly during Christmas and Easter.

"The Legal and Investigative Department from time to time furnishes us with information sought by church groups, particularly those confronted with the problem of reactionary opposition to social action programs (COMMUNISM!).

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions - Christian Life and Work; and the Division of Christian Education.

"Our primary Catholic contact is with the National Catholic Welfare Conference, particularly the departments of Education and Press. We also work with the National Catholic Biblical Association, Catholic University of America, other Catholic universities, and individual chanceries.

"Other resources include the World Council of Churches, State and City Church Councils and Ministerial Associations, the Religious Education Association, the Catholic and Protestant press, the

Protestant Film and Radio Commission, National Council of Christians and Jews.

"We are concerned, therefore, not only with what is taught in Christian education, but with the attitudes of the educator who trains the teacher, and of the teachers themselves. The environment surrounding the learning process also concerns us.

"Thus, what WE are concerned with is not simply CHANGING what is said about Jews and Judaism in the literature of Christian education, but INTRODUCING A NEW and positive view of Jews and Judaism into the dynamics of Christian education. Our approach seeks to take advantage of the group life fostered by church organizations.

"Meetings with top Protestant leadership have now been established on a REGULAR basis. The SUCCESS of our meetings with Protestant leaders on a national level points to the desirability of extending this effort locally."

Remember the words of Our Lord Jesus when he said to the agents and dupes of the Conspiracy, "And because I tell YOU the truth, ye believe me not." John 8:45. The agents of the anti-Christ will "piously" denounce as unChristian (!) this undeniable documentation of their evil chicanery. Should your minister remove these vital words of TRUTH from your church, you will KNOW whom he serves! Any man who seeks to suppress this word HATES the TRUTH! - "The Patriot"

"MASTERS OF DECEIT"

In all of the decadent, alien-infested city of Washington, D.C., there was one place where patriotic Americans had reason to hope the light of decency and Americanism still flickered, even if so dimly, and that was in the office of the Director of the Federal Bureau of Investigation. But on March 10, with the publication of the much heralded "Masters of Deceit", all such hope was crushed and any light which may have been, was no more.

In the past, although never refraining from exposing the all too frequently employed gestapo tactics of the FBI, THE REVERE has never made any unfavorable remarks about its Director, J. Edgar Hoover. There was always the possibility that Hoover knew the score and that he felt by remaining silent he could maintain a hold on the organization and keep its directorship from being turned over to a Jew.

Now, however, it little matters whether or not a Jew heads the FBI, for Hoover himself has come out with one of the most diabolical and cleverly deceitful books of the year. It is patterned after the old communist technique of expending an entire literary effort, even one purporting to be anti-communist, in an attempt to "plant" into people's minds one or two basic and important seeds of UNTRUTH.

A number of Hoover's statements in "Masters of Deceit" unquestionably label him either mentally deficient, a captive of the invisible government or a willing apostle of the "masters of deceit". His praise of the infamous ADL, the B'nai B'rith, the American Jewish Committee and "a host of other Jewish groups" for their "effective opposition to communism in the United States" is an unpardonable example of that.

Even the notorious communist-ridden NAACP comes in for a splash of Hoover whitewash.

"Masters of Deceit" ranks with the most abominable of the Jewish-communist propaganda efforts.

THE ANTI-DEFAMATION LEAGUE

Taking into account the many sinister organizations drawing the acclaim of J. Edgar Hoover in his new book, "Masters of Deceit", perhaps the Anti-Defamation League of B'nai B'rith (ADL) stands out among the rest as being the most vicious and un-American of the lot, if, indeed, any one can possibly be singled out as being any more so than the others.

It would require several volumes to set forth the odious and satanic record of the ADL. Seldom in the annals of history has there been an organization quite so downright rotten and evil.

The ADL is a richly endowed terrorist outfit, consistently directing attacks upon opponents of communism, using vilification, misrepresentation and character assassination as its chief weapons.

Writes Rev. Kenneth Goff:

"The ADL is a police agency. Only three or four members of the House and Senate have ever dared to resist its power. It admits to maintaining a force of 2,000 expert investigators in cities across the continent, and thousands of helpers.

"The ADL keeps files, listing the names and containing the records of every man and woman in whom, for any cause the Jews might have the least interest."

Besides acting as a Gestapo, the ADL is also active in promoting race-mixing and mongrelization. A recent ADL resolution stated, in part:

"The Anti-Defamation League was proud to have been one of the national organizations which petitioned the U.S. Supreme Court to abolish segregation in the nation's public schools."

Just last March the TAX-EXEMPT ADL invited every member of Congress to a lavish dinner in Washington's Mayflower Hotel. The highlight of this "Dinner with Congress" was the presentation of an award to the 85th Congress "for its distinguished contribution to the enrichment of our heritage of freedom in passing the Civil Rights Act of 1957."

It is indeed a shocking state of affairs when the Director of the Federal Bureau of Investigation lends his support to, as one writer has aptly characterized it, a "League of Bigots, Blackmailers, Thieves, Character-Assassins and Subversives." Perhaps it would be well to institute an investigation to determine just what the ADL has on Hoover to make him sell out to the Jews, assuming, of course, that he hasn't always by his own choice been an agent of the enemies of our Christian Republic.

THE JEWISH WAR AGAINST HUMANITY

PROLOGUE

Jewish insensitivity for all other men has brought them to a lot of grief since the Pharisees forced their hateful frauds upon the Jews a century and a half before the coming of Christ. Their hatred toward their fellow men has grown to such a fever that they are not satisfied with anything short of eventual extermination of all the rest of the human race! YOU are in far greater danger than you probably realize.

JEWISH SEIZURE OF POWER

Woodrow Wilson was our first President obviously a puppet of the Jewish rulers. During his administration Jewish International bankers seized control of our monetary system by sneaking into our laws the Federal Reserve Act. These alien invaders further violated our Constitution by hollering into law the Income Tax Amendment, a pet scheme of their great strategist, Karl Marx.

On March 8, 1917, the fatal Russian Revolution began, and as a result, on April 2, 1917, President Wilson called a special session of Congress to demand war with Germany. The principal excuse used to justify the United States' aggressive Declaration of War on Germany was the sinking of BRITISH ships! Our Jewish-controlled Press kindled a phony fire of indignation over the sinking of the BRITISH ship LUSITANIA, with the loss of 113 American lives. Yet for the loss of 390 times as many American lives in Korea, the same United States could NOT be moved to declare war on Red China!

THE ATTACK BY THE UNITED STATES ON GERMANY WAS ALL THAT SAVED THE AMERICAN-JEWISH-FINANCED-AND-LED RUSSIAN REVOLUTION FROM BEING DESTROYED BY GERMANY! Can you see now what Wilson's Jewish bosses meant by "making the world safe for DEMOCRACY"? JEWISH WORLD RULE! And for THIS the United States went 50 billion dollars in debt and suffered 264,000 casualties! How many Jews were among them?

Under the last real Americans to head our Federal Government, Presidents Coolidge and Hoover, remarkable progress was made in reducing the Federal debt, and the Pharisee conquer was temporarily delayed.

DEFEAT BY DEPRESSION

However, the Jewish rulers were not to be frustrated so easily, for they effected a devilish trick to render our great nation helpless before them. By dumping their huge holdings of stocks and bonds on the market, withholding from circulation the cash received from their immense sales, and causing Germany and other European countries to default their bonds, they created the Great Depression, thereby killing FIVE blocs with ONE stone: 1. Keeping fantastic profits by selling at the top of the market, and later buying back at a fraction of what they sold for. 2. Ruining most of their Gentile financial competition. 3. Taking the United States off the gold standard. 4. Again electing THEIR puppet to the Presidency. 5. So occupying the rest of the world with its own financial woes that it failed to notice their pitiless grinding of the unfortunate Gentiles caught in the gory clutches of THEIR hideous Communism to the lowest level of life which man has suffered since the Stone Age.

One of the first acts of their new puppet, Roosevelt, was to recognize the blood-soaked Red Terror of the Soviet Union as a civilized government!

With the Great Depression in full swing, the Jews attempted to repeal our Constitution outright, but the wisdom of our long-departed founding fathers asserted itself from the grave: the Supreme Court declared unconstitutional many of their assaults upon our freedom. So through their silver-tongued puppets the Pharisee rulers attempted to force the enactment of their nefarious Supreme-Court-packing scheme, which even a blind fool could see through. As our people had not yet been sufficiently demoralized, this trick failed, but two years of depression and a quarter-century of relentless brainwashing has taken once and for all the self-reliance of the once fiercely independent American people!

THE DESTRUCTION OF THE ANTI-COMMUNISTS

When Germany, Italy, and Japan signed the Anti-Communist Pact and threatened to conquer the Soviet slave-state, the nations the Jews controlled went blindly to war again for the Pharisees to crush these last-remaining obstacles to Jewish world rule.

About thirty million Gentiles lost their lives to insure the enslavement of their own flesh-and-blood. How many Jews died fighting in this second installment of the War to Exalt the Gentiles?

The Pharisaic rulers tried desperately to force the United States into this Second Great War, although neither the Anti-Communist Party nor the American people had the slightest desire for plunging into such a suicidal blood-bath. Finally Japan fell victim to their treacherous wicks and provided the incident the Pharisees had so feverishly schemed-to create. After Japan's idiotic attack on Pearl Harbor had raised the American people for war, our efforts were directed not toward the attacker at all, BUT TOWARD GERMANY! who once again had the Red Revolution as the venge of defeat!

Now all we hear about World War II is how THE JEWS suffered, which should cause a few wry smiles among you men who fought at the front, you who operated the DP camps, and those who sailed the ships bringing the millions of Jewish invaders (misnamed "refugees") to prey on us. While we Gentiles were fighting and dying to save THEIR Communism, the six million Jews, whom they loudly proclaim to have been gassed and cremated by the Nazis, were being shipped over here remarkably alive to insure OUR enslavement. These Jews already well-established here were busy fleecing our suffering tax-payers of billions in rigged government war contracts! While the Gentiles of the world suffered irreparable losses, out of this one World War in which they did not fight at all, the Jews have gained control of nearly the entire world!

W.H.

JEWISH FINANCIAL PIRACY

At the close of World War II the United States turned over populations of Europe and Asia over to the master marxists of Jewish "Communism". During and after the war the Jews caused the United States to embark upon an income program of supporting THEIR international world-socialism, justifying religious terrorism by humanitarian appeals!

You see, friend, the Jewish control of our government is so complete that they and their stooges, the Negroes, DO NOT PAY THE INCOME TAX like us discriminated against White Christians. Consequently we are constantly losing possession of our country, while the fat Jews are always loaded with ready cash, taking advantage of any and all distress sales as you and I go broke paying our confiscatory taxes! What do you think owns most of these big banks and nationally-known corporations NOW? JEWS!

There are no Gentiles left here on Wall Street but hired clerks, stenographers, and street boys! The mighty Ford Motor Company recently fell into their

hands in one of the most ruthless examples of Pharisaic fraud on record. They are like pirates now, systematically picking out, raiding, and then buying up for a song first one and then another of our big corporations.

Jewish control is so complete that they can cut off a company's supplies, strike its plate (they control most of the labor unions too!), boycott its products, and deny it credits and government contracts till the poor Christians' business is ruined. Then the fat Jew boys step up lively with a fistful of cash, buy the ruined business dirt cheap, call off the union pickets and the boycotts, and business becomes mighty fine!

Farmer, they are steadily collectivizing your farm. Word from Russia is that there is seven days hard labor per week for Gentiles when the Pharisees complete our enslavement. They will not allow you to celebrate their Sabbath (Saturday), only Jews can do that! and Sunday is the first day of the work week!

JEWISH MURDER OF OUR BOYS

The Jews forced us into a "Police Action" in Korea for the sole purpose of seeing how many American boys could kill how many Chinese, and vice versa. They awoke their pitiful puppet Truman out of bed at two o'clock in the morning to issue the order for our Air Force to return to Korea, which Red Dean Acheson caused them to evacuate a few months earlier. Seven top generals returned from Korea to testify that they were ordered NOT TO WIN! Neither were they allowed to withdraw our boys, but just to force them to stay there in that forsaken country and BLEED!

THE HATCHETMEN

THE GANGSTERS the government is always wishing at, THE MURDERERS they refuse to execute, and THE NEGRO SAVAGES with whom they are mongrelizing us will be the enforcers for the Jews when they make "Communism" official here. You do not think the Jews are going to fight, do you? Do not be a simple schmo; there are plenty of Gentile fools and goons around to fight for them!

JEWISH WORLD GOVERNMENT

Just what do the Jews plan to do when they have destroyed all resistance to them throughout the world? They intend to make the United States their headquarters, since we are the land of milk and honey and we are not wise to the Jews yet like the wiser Gentiles in Europe and the Near East. With all the world's Jews concentrated in the United States and Israel, surrounded by a protective cordon of carefully selected zombies, the pitiful human

products of their brain-destroying techniques, they plan to rule the world by remote control, using the atomic and hydrogen bombs to destroy utterly any people on the globe so reckless as to dispute their world mastery. They plan to destroy their principal threat, the Gentile Caucasians, through selecting for slaughter all intelligent White families and maiming the culls with the Negroes through FORCED MIXED MARRIAGES!

Even now all the Pharaonic rulers have to do in order to clamp complete military dictatorship on us is to order their Russian slaves to drop one bomb on the United States (remember Pearl Harbor?). They have the orders already printed! They will take control of all funds, businesses, travel, printing, radio, t.v., and jobs. You will not be allowed to travel or quit your job. ALL WEAPONS WILL BE CONFISCATED, and by that time it will be TOO LATE! Your sons may be in the Armed Forces helpless to do other than obey their commands to kill or enslave you.

CHOOSE YOUR SIDE NOW

THE TIME TO FIGHT WAS YESTERDAY! But we ARE organizing for the fight for our right to live as human beings. What do you think YOU can do after the prison door has clanged shut on us? The prison door is swinging shut at this very instant!

BE A PATRIOT. Join us to fight for the right to live as HUMAN BEINGS. On whose side will YOU fight? Or have you been rendered too soft to fight at all?—"The Patriot."

"The two Internationals of Finance and Revolution work with ardor; they are the two fronts of the Jews' international. . . . There is a Jewish conspiracy against all nations; it occupies almost everywhere the avenues of power—a double assault of Jewish revolution and Jewish finance."—René Groos, Jew, in *Le Nouveau Mercure*, Paris, 1927.

PRISON FOR A PATRIOT

On March 14, Ku Klux Klan Grand Wizard, Rev. James W. Cole, became another victim of communist persecution. On that date Rev. Cole was sentenced by renegade Judge Clawson L. Williams to 18 months to two years for allegedly inciting a riot at a Ku Klux Klan rally at Maxton, N.C., last Jan. 18.

The rally scheduled as a closed meeting on private property, was broken up by a howling pack of drunken Indians and a few Negroes, armed with rifles and shotguns. The disturbance was secretly engineered by local Jews.

An appeal by Rev. Cole would probably be fruitless, for the higher the court, the more firmly entrenched are the communist judges.

So goes off to prison for Rev. Cole. His crimes: Exercising his constitutional guarantees of free speech and assembly and devotion to constitutional government and racial integrity.

TWO PLANS

Irving Kupcinet, Jew gossip columnist for the CHICAGO SUN-TIMES, had this to say in his March 10 column:

"U.S. Rep. Jimmy Roosevelt (D-Calif.) is planning to spring this motion in time for Israel's 10th birthday celebration next month: Because Haym Salomon, the Jewish patriot who shelled out \$250,000 to help finance the American Revolution, was never repaid, Roosevelt will recommend that Uncle Sam now make amends by purchasing Israel bonds for the amount of the loan. The quarter-million-dollar loan 181 years ago, figured at 4 per cent compounded interest, comes to approximately \$300,000,000!" (Ed. Note: That's 300 MILLION, Nudnick, 300 million for 250 thousand — to be given to a pack of bloody Christ-haters. Good old Jewish usury!)

Exulting Jewish "patriots" of the American Revolutionary war period, practically all of whom (we don't know of any who weren't) were unscrupulous money-lenders, who never helped anyone, except for profit, and then usually both sides, is a favorite pastime of the Jews and their groveling stooges. In this case, old Haym made a bad speculative venture.

As to Roosevelt's ludicrous proposal, the U.S. should appropriate 300 million dollars, all right—to wipe the bastard state of Israel off the face of the map and to drive into the sea the sub-human refuse squatting there, defiling this land stolen by force and violence from the Arabs. JUSTICE DEMANDS THE IMMEDIATE DESTRUCTION OF ISRAEL.

REPORT FROM SAN FRANCISCO

I live in what is called the Western addition or the Fillmore district, and have since the fire of 1906. There were at that time no Negroes here; there are now about 70,000. The main street, Fillmore, is mostly Negro.

If a merchant refuses to hire Negroes, they put a picket line in front of his place, led by communists, with a sound truck. The merchant is compelled to hire them or go out of business—which many of them are doing.

Five theaters have closed their doors; three of them have been converted into churches, where the Negroes preach their noisy religion, sometimes putting loudspeakers in the entrances to give their neighbors the benefit of their message.... These three places are now off the tax list.

Our sidewalks abound with garbage, drunks, prostitutes, and pickaninnies, many of them illegitimate. Dr. J. C. Geiger, our former health officer, wrote in The San Francisco News that of the illegitimate children born in the County Hospital 70% are Negro—which poses a financial as well as moral problem, as the mother of fatherless children is paid \$110 a month for each child's support.

The crime rate is very high; theft, robbery, hold-ups, and murder are common. Of the 16 persons living in this house, five have been held up and robbed by Negroes. All of these people were 65 years old or more.

The manager of one Safeway store caught a Negro walking out with stolen groceries. The Negro stabbed him, putting the man in the hospital. Our butcher was so badly beaten by two Negroes that he had to be taken to the hospital. He never reopened his store. A watch repair man was shot and killed by three Negroes. Officer McGoldrick, in trying to stop a fight between Negroes, had his face slashed from mouth to ear, and I saw a Negro cut a woman's throat, leaving a big gash.—Selected.

SUGGESTS COMMEMORATIVE STAMP

Congressman J. Floyd Breeding has introduced a resolution calling for the annual issuance of a special postage stamp to commemorate the birth of Jesus Christ. This resolution, H.J. Res. 462, reads, in part:

"Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Postmaster General shall issue a special postage stamp, for the year 1958 and for each year thereafter, to commemorate the birth of Jesus Christ."

Write to Rep. Breeding (House Office Building, Washington, D.C.) and tell him you support H.J. Res. 462. Also write to as many other members of Congress as you can. A concerted campaign of letters and telegrams might very well result in passage of this most worthy measure.

Christians, Awake!

PROLOGUE—

It was intended that ours should be a Christian Nation. Its government, its way of life, its society was based on fundamental Christian precepts.

Because our Nation lost its way, it faces the horror of the coming Red Terror. If we are to save our Nation, we must return to the Christian Way; there can be no compromise, no co-existence with the forces of evil. And we must understand that these forces of evil are not concentrated in some far off Continent awaiting the order to attack. Those forces of evil are in our very midst, posing as friends and brothers and advisers. And we accept them, aid them in their preparation for our own destruction.

The key to salvation, as a nation and as individuals, is to know the truth. Once the people know the truth, as Abraham Lincoln said, the people will know what to do.

But — to know the truth, we must shake off the mental torpor and spiritual comatosity induced by centuries of brain-washing and soul seducing.

THE PHARISEE ATTACK

When organized Judaism began its campaign to "sell" America on the ideal of Universal Brotherhood; both in the things which are Caesar's and the things which are God's; the line of attack became quite simple: "Anything which is pro-Christian is, *per se*, anti-Jewish."

Who can dispute the truth of that statement? Jesus testified to its truth when he said, "He who is not for me is against me." Christ held no Brotherhood meetings with Rabbis and Pharisees. He witnessed before them as individuals; but when they organized that first Conference of Christians and Jews on the mount of Olives, He told them:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it."

In a Christian America, anti-Jewish from the very start, the first work of the Judeo-political sons of the devil was, therefore, to eliminate that word "Jew," except when used as a word of respect and praise. So, they coined a new word: "anti-Semitic"—eternal insult to those true Semites of the Middle-East whose ancestors walked with Jesus, praising Him instead of seeking to stone Him.

So now the action-slogan read: "Anything which is pro-Christian is, per se, anti-Semitic."

What these proselyte Pharisees (for they are only Talmudists by adoption, therefore "twice the sons of hell") have done to destroy our Christian American way of life is amply documented in the works of other writers. Duplication at this time seems unnecessary. However, an illustration of the techniques used, and the exten-

to which these anti-Christ plotters have gone does seem advisable.

Here is a copy of a letter sent out to all principals over the signature of one R. S. Pollack, Superintendent of Schools for the State of New Jersey.

"The purpose of this bulletin is advisory. We are told, by the State Department in charge of enforcing the anti-discrimination statutes, that there is a growing feeling in various parts of the state, with respect to the celebration of Christmas by special observances and exercises in public schools. While this is not yet a situation that could be characterized as a problem, it is one that is growing and which will require our attention in the near future. It might, therefore, be wise to act somewhat beforehand in this respect with the end in view of lessening the impact in this community if, when and as the situation becomes critical.

"At this time, no specific action is indicated but it may be wise to consider beginning at once how the Christmas program to be offered in your school could be re-planned so as to de-emphasize the sectarian religious aspect thereof and to emphasize instead the folklore values. As an illustration, it may be possible to substitute such folksongs as "Deck the Halls with Holly" for one of the more religious type songs which are generally used. It is the opinion of your Superintendent that within the foreseeable future, say the next three to ten years, it will be required by the courts that the specifically religious aspect of the celebration be deleted from public school programs and that it will be-

come illegal to use some of the hymns and anthems that are now quite common and that it will become necessary to avoid pageants involving the nativity, angels and similar props. It is suggested that it might be well to begin to re-plan this program in this direction so that the change-over is as gradual as to be unnoticeable in the general public over a period of years." (Bold type ours—Ed.)

The above letter is a typical example of the methods employed by the Christ-haters who promote Universal Brotherhood. They're to take Christ out of Christmas; but not by direct attack. Take ten years if necessary. Today it is sufficient to take away the Divinity of Jesus and call Him a great teacher, but mortal only. Tomorrow, His illegitimate birth can be established. Finally, He can be denounced as heretic, imposter and blasphemer. And, at long last, like Stalin, Jesus can be written out of the Book altogether.

THE CHRISTIAN COUNTER-ATTACK

If anything pro-Christian is anti-Jewish, it follows that anything pro-Jewish is anti-Christian. It's as simple as that. So, let's fight the devil's fire with the fire of the Holy Spirit.

For half a century we have been making Christianity into a lukewarm philosophy of morality which can be practiced without offending the Jew!

Have you the courage, under God, to admit that any kind of Christianity which does not offend the Jew has no right to be called Christianity?

Christ so offended the Jews that they considered the only fit place for Him was on the cross. From then till now the Jew has hated Christ and has taught his children to hate Him.

Today in America, when we do Christian or patriotic work, they say we are discriminating against the Jew, that we are anti-Semitic; and the concentrated forces of the hate-mongering ADL and a dozen other anti-Christ organizations is hurled against us.

If we are witnessing for Christ, can we expect less? If we stand up for the God of our Fathers, can we expect less?

Like Peter before being endued with the Holy Spirit, we have been denying Christ. That's the reason our beloved Country is in the shape it's in! That's why we prepare for the coming of the Red Terror!

Now; let's quit denying and start fighting back armed with the full armor of God! Let's have our own anti-defamation league and speak out at every occasion against the defamation of Christ!

It is no longer enough to "come out from among them" and be separate, and touch not the unclean thing. (See II Corinthians 6:14-18.) We must clean out the temples of the Lord.

Remember always, we fight not against the individual. For that is not the way of Christ. But, whenever two or more are gathered together in the name of Liberalism, or Modernism, or Brotherhood, or any of the other names under which the anti-Christ disguises his followers; the devil himself is in their midst.

The Chicago Office furnished on 5-5-58 a Photostat (attached) of the May, 1958, edition of "The Revere" which on page 4 contains a shocking review of the Director's book "Masters of Deceit." The article indicates that with the publishing of the book, it appears that the Director has come out with one of the most diabolical books of the year patterned after an old communist technique to "plant into people's minds one or two basic and important seeds of untruth." The Director's book is taken to task because of favorable comments concerning the Anti-Defamation League, the B'nai B'rith, the American Jewish Committee and a host of other Jewish groups and the efforts of these organizations against the communist menace. Further, the article continues that "even the notorious communist-ridden NAACP (National Association for the Advancement of Colored People) comes in for a splash of Hoover whitewash." In conclusion the article describes the Director's book as one of the most abominable of the Jewish-communist propaganda efforts.

THE SECRET WORLD GOVERNMENT, or »THE HIDDEN HAND«

The Unrevealed in History 100 Historical »Mysteries« Explained

by Major-General Count Cherep Spiridovich

III.

Upon its publication in 1926 this book created an international sensation.

"Nothing has happened, nothing was told since 1914, that General Spiridovich did not foresee, foretell, and repeat a hundred times with the fiery, passionate stubbornness, which is the distinguishing quality of seers and prophets". — ("L'Information," in Paris, December 27th, 1915.)

"This book is mostly about Jews; it is not against the Jews. These painstaking researches have been made in order to re-write history "with conscience", as Lamartine urged, as Washington Irving admonished. The results are presented to the thinking public to enlarge its intelligence, not its prejudice.

"Nordic tradition, coupled with exceptional education and training, have given to General Spiridovich the spiritual ardor, the constructive impulse, and the extraordinary perseverance required to make his vast knowledge serve the exigencies of the present to his peculiar power to forecast the future, but it devolves upon the individual reader to make practical application of it, by refusing to participate in the practices, which engage "Enemies of Humanity". (Herjulf Vickingson in the Introduction.)

Without question this book stands in a class by itself, for it is the most complete expose of the Jewish Hidden Government ever put into print. It shows in the most plain language the real cause of all war, revolutions and depression from the time of the "French" Revolution thru World War I. He predicts that attack upon the United States by Japan. He quotes from some of the most valuable source material published both in this country and abroad.

This revealing book has been out of print for nearly 30 years. Now a very limited edition has been made available to Patriots. This is the most significant reprint made of any book in many years. Order today, while it is still available.

FBI SEEKS TO REPRESS PATRIOTISM

Dear Fellow White Christian:

The FBI is being used to investigate an organization, headed by a man calling himself The Patriot, which they allege is "plotting to overthrow the government by force and kill all the Jews."

What is so vicious about this use of the FBI to repress the active opponents of World Enslavement and genocide of the Gentile White Race, is that the Pharisaic Masters of the studied lie are forever accusing their opponents of thinking about EXACTLY WHAT THEY (THE PHARISEES) ARE ACTUALLY DOING RIGHT NOW!

Those who know the truth realize that the alleged mass murder of six million Jews is the greatest hoax of ALL time. Yet on the strength of a 100% Big Lie they ordered our aviators to murder untold legions of German women and children! They ordered OUR aviators to drop the first atomic bombs on a nation ALREADY trying to surrender! They tried (Talmudic-style) and imprisoned and executed a large number of German officials merely for defending their people against the invasion of the entire Pharisaic-controlled world. (According to Talmudic Law the goyim are ALWAYS guilty.)

If our Anti-One-World organization were actually plotting to overthrow the United States Government, then wouldn't we be ridiculously belated in our efforts? Not only has our Constitutional Government ALREADY BEEN overthrown, but the Pharisaic World Enslavers are well along to eliminating not only the States that were once United, but to eradicating all vestige of the once-proud nation known as the United States.

There is one and ONLY one reason that our truth-disseminating group must maintain secrecy: FREEDOM OF SPEECH AND OF THE PRESS IS GONE! Telling the truth about The Conspiracy is now about the most dangerous business in the entire world, a truth Jesus well-understood! The FBI has never sought a criminal with one-thousandth the effort with which they will be required to hunt us. There is only one thing which can protect us: THE

REFUSAL of patriotic Americans everywhere to become active accomplices to their own crucifixion. We are sacrificing our lives that you and yours will not become helpless, hopeless victims of World Enslavement. Won't YOU help us?

If, by some miracle, we are successful in thwarting the hideous plans of The Conspiracy, then those who actively aided these alien enslavers in their attempt to reduce the once-free Americans to a faceless, faceless, homeless, Godless, spiritless mass of sub-human zombies would be in a well-nigh intolerable position. In light of the precedent set by The Conspirators THEMSELVES at Nuremberg, Germany, then liberated America would be almost bound to hold treason trials.

If on the other hand The Conspiracy triumphs over prostrate Humanity, the NEXT group to be liquidated after the liquidation of the opponents of the Pharisees ARE THE GENTILE AGENTS OF THE CONSPIRACY, for they know too much and are subject to overwhelming pangs of remorse.

Mr. FBI agent, and Mr. Policeman, you should do some serious thinking about YOUR OWN crucifixion. In 1937 ALL GENTILE Soviet Secret Police were KILLED and replaced by 400,000 blood Pharisees and 200,000 convicted Gentile CRIMINALS, bond-slave hatchetmen! An ordinary Gentile catspaw for THE CONSPIRACY TRIUMPHANT has a normal life of FIVE YEARS! Then he is AUTOMATICALLY "liquidated"!

You may plead that you do not know these things. Then perhaps you DO KNOW what happens to all the anti-communist, anti-American information YOU uncover. You well know that it is filed away to be used only for ridiculous mock trials that are held occasionally "to convince" the misinformed American people that "their" government is not truly already in the grip of the Pharisaic Conspiracy. For instance, what happened to your information concerning the Communists at Fort Monmouth? because of which Sen. Joseph McCarthy died!

105-53447-9

We do not doubt for a minute that, if you really try, you will discover us. After you have played the part of Judas, the Sanhedrin will take over, and YOU will live out YOUR role of Judas to the bitter end. You too will despise yourself for the traitorous part YOU played in insuring the end of our people, YOUR people, YOU!

If the American White Christians have sunk so far down the drain of human degradation as not to care, then no power on earth can save us from the fate the Pharisees are hell-bent to impose. In that case, then God is truly using The Conspiracy as a form of Scourge of God to punish irrevocably a people so demoralized, so despicable, so undeserving. It has happened BEFORE! MANY TIMES!

The time has come to choose sides. This is truly race war to the death, AS THE PHARISEES DECLARED long before any of us were born! They are determined that OUR White Race must go!

WHOSE SIDE ARE YOU ON? -- The Patriot

THE JEWS AND THE FBI

Just who are the REAL "Masters of Deceit"? J. Edgar Hoover, traitor to every real Christian American, knows, but he is not telling. He is too busy spreading Jew-communist propaganda and misleading Pharisaic double-talk.

Last month a number of patriotic publications, including THE REVERE, exposed Hoover's new book, "Masters of Deceit" (probably written by some foul-mouthed, Christ-hating Talmudist in the New York offices of the American Jewish Committee), as one of the most diabolical and cleverly deceitful books of the year, a real masterpiece of PRO-JEWISH, PRO-COMMUNIST fabrication.

The Jews have a strangle-hold on the FBI, just as they have on every other branch of our government. It should be clear to all that there is a close relationship between organized Jewry and its terrorist arm, the Anti-Defamation League of B'nai B'rith (ADL), and the FBI. The ADL and the FBI are working hand in hand, as they have been for many years, in a conspiracy of intimidation and persecution of patriotic Christian Americans. Our land is swarming with Jewish secret police and FBI agents, all of them snooping and prying, coercing and bullying.

We are living in the not so early stages of a Jewish World Dictatorship. Many of our fellow

Americans are so brainwashed that they do not yet realize this. But they will wake up -- most of them too late, unfortunately -- when the BLOOD BATH begins, when the Jewish Gestapo seizes them in their homes and drags them off to be tortured and tormented by Jewish hounds in mental health holes or murdered by Jewish executioners -- Kosher style.

BOMBINGS

In 1934 diplomat J.W. Girard warned of mass pogroms if the American people should ever find out that communism is Judaism.

Well, the majority of the American people are yet unaware of the Jewish plan for world domination through communism, and any pogroms which may be coming are still some way off, but, as we said in April, the recent bombings of Jewish centers in the South show that the White people of that area are awakening to the Jewish menace and are taking positive steps in the direction of curbing it.

Although the newspapers have recently given coverage to a number of these bombings, most notably those in Jacksonville, Miami, Nashville and Birmingham, they have not even begun to give the whole story. The fact of the matter is that WELL OVER 45 JEWISH CENTERS HAVE BEEN BOMBED WITHIN THE PAST 16 MONTHS. (Quite a record!)

Apparently the Jewish press barons feel that a little publicity on the subject might stir up some misguided sympathy and bring in a few dollars for Israel Bonds from the more Judaized goyim, but fear that too much publicity might start a chain reaction and set off a real drive against their temples and dens of subversion and race-mixing.

KHRUSHCHEV IN THE NEWS

NEW YORK--Nikita Khrushchev is reported by the American Committee for Liberation, which monitors Soviet radio broadcasts, to have commented that "half the members of the presidium" of the Communist Party of the USSR have Jewish wives. Khrushchev was speaking extemporaneously at a Polish Legation reception.

SPECIAL--In a recent article in LOOK magazine Soviet Premier Nikita Khrushchev is quoted as saying "Why should I dislike Jews? I have a grandson who is half Jewish."

CHRISTIANS, AWAKE!

It was intended that ours should be a Christian Nation. Its government, its way of life, its society was based on fundamental Christian precepts.

Because our Nation has lost its way, it faces the horror of the coming Red Terror. If we are to save our Nation, we must return to the Christian Way; there can be no compromise, no co-existence with the forces of evil. And we must understand that these forces of evil are not concentrated in some far off Continent awaiting the order to attack. Those forces of evil are in our very midst, posing as friends and brothers and advisers. And we accept them, aid them in their preparation for our own destruction.

The key to salvation, as a nation and as individuals, is to know the truth. Once the people know the truth, as Abraham Lincoln said, the people will know what to do.

But—to know the truth, we must shake off the mental torpor and spiritual lethargy induced by centuries of brainwashing and soul seducing.

THE PHARISEE ATTACK

When organized Judaism began its campaign to "sell" America on the ideal of Universal Brotherhood; both in the things which are Caesar's and the things which are God's; the line of attack became quite simple: "Anything which is pro-Christian is, *per se*, anti-Jewish."

Who can dispute the truth of that statement? Jesus testified to its truth when he said, "He who is not for me is against me." Christ held no Brotherhood meetings with Rabbis and Pharisees. He witnessed before them as individuals; but when they organized that first Conference of Christians and Jews on the mount of Olives, He told them:

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it."

In a Christian America, anti-Jewish from the very start, the first work of the Judeo-political sons of the devil was, therefore, to eliminate that word "Jew", except when used as a word of respect and praise. So, they coined a new word: "anti-Semitic"—eternal insult to those true Semites of the Middle-East whose ancestors walked with Jesus, praising Him instead of seeking to stone Him.

So now the action-slogan read: "Anything which

is pro-Christian is, *per se*, anti-Semitic."

THE CHRISTIAN COUNTER-ATTACK

If anything pro-Christian is anti-Jewish, it follows that anything pro-Jewish is anti-Christian. It's as simple as that. So, let's fight the devil's fire with the fire of the Holy Spirit.

For half a century we have been re-making Christianity into a lukewarm philosophy of mortality which can be practiced *without offending the Jew!*

Have you the courage, under God, to admit that any kind of Christianity which does not offend the Jew has no right to be called Christianity?

Christ so offended the Jews that they considered the only fit place for Him was on the cross. From then till now the Jew has hated Christ and has taught his children to hate Him.

Today in America, when we do Christian or patriotic work, they say we are discriminating against the Jew, that we are anti-Semitic; and the concentrated force of the hate-mongering ADL and a dozen other anti-Christ organizations is hurled against us.

If we are witnessing for Christ, can we expect less? If we stand up for the God of our Fathers, can we expect less?

Like Peter before being endued with the Holy Spirit, we have been denying Christ. That's the reason our beloved Country is in the shape it's in! That's why we prepare for the coming of the Red Terror!

Now; let's quit denying and start fighting back armed with the full armor of God! Let's have our own anti-defamation league and speak out at every occasion against the defamation of Christ!

It is no longer enough to "come out from among them" and be separate, and touch not the unclean thing. (See II Corinthians 6:14-18.) We must clean out the temples of the Lord.

Remember always, we fight not against the individual. For that is not the way of Christ. But, whenever two or more are gathered together in the name of Liberalism, or Modernism, or Brotherhood, or any of the other names under which the anti-Christ disguises his followers; the devil himself is in their midst.

A NEW ERA FOR FRANCE?

There is encouraging and heartening news for the Christian Nationalist Movement coming out of Algeria and France these days. It is too early to say for sure, but events would indicate that perhaps at long last the French people have had their fill of JEW-MOCRACY and are about ready to overthrow their Jewish Masters.

The years since the Jewish inspired and financed French Revolution have been hard and bitter ones for the French people. Their once proud nation has been taken over by the Jews and corrupted, looted and rendered but a mere shell of her former magnificent self.

No wonder the Jewish controlled press in America and elsewhere throughout the world refers to the French situation as "the French crisis." It is indeed a crisis FOR THE JEWS because they are in danger of losing their power there.

The French upheaval is primarily a revolt against Jewish intrigue and domination, but you don't read that in your papers. You don't read that that provincial towns and cities of France are being flooded by a stream of Nationalist literature exposing the Jew menace, charging the 700,000 of the best French dwellings and apartments are occupied by Jews and that BILLIONS OF FRANCS HAVE BEEN SMUGGLED OUT OF FRANCE TO ISRAEL.

Yes, the French people are waking up and with their traditional enthusiasm taking steps to do away with the Jewish parasites and vipers. God Bless General De Gaulle and may He guide the General in the Noble and Worthy Cause of leading his nation out of the hellish darkness of Jewish subjugation.

Just a reminder that THE REVERE and the operations of the Christian Patriots Crusade are sustained entirely by subscriptions, literature orders and contributions. Any support you can give us along these lines would be most appreciated.

"MENTAL HEALTH" NOTE

The following news item, headed "Psychologist To Address Unitarians", from a Chicago suburban newspaper should be of interest to all patriotic Americans:

"Dr. Ben A. Joshel (Jew? The "mental health" movement is Jewish motivated and dominated.) clinical psychologist, will address the congregation of the Hinsdale Unitarian Church today (Sunday). He will discuss the study of 'Psychological Prisons' and how religion can enslave the mind. (To the uninitiated this offers a seeming paradox. A Jew head-shrinker lecturing in a "church" on the menace of religion!)

"At present, Dr. Joshel is chief psychologist and director of the Community Mental Health Clinic of Des Moines, Iowa, and is associated with the Broadlawns General Hospital of that city." (Just imagine the number of poor souls who must have been victimized, until they were electric shocked to death, and the still others who must today be under the control of this man.)

The two primary goals of the organized "mental health" movement are: (1) The destruction of Christianity and (2) the enslavement of all peoples in a raceless, one world society, under the control of the Pharisaees. "Mental health" today means BRAIN-WASHING, RACE-MIXING, ONE WORLD AND LIQUIDATION OF THOSE WHO STAND IN THE WAY OF THE JEWISH WORLD DICTATORSHIP.

THE GREAT AWAKENING

We are very happy to see so many of our Negro friends falling away from the clutches of the Jew-controlled NAACP and waking up to the Pharisaic Conspiracy against all races. Many of these good Negro people have a better understanding of the race question than some of our White brothers who spend their time spreading hatred against the Negro race, completely ignoring the real plotters and instigators of racial disorder -- THE PHARISEES.

RUDOLF HESS: PRISONER OF THE "PEACE"

Sixteen years have passed by since the day when Rudolf Hess, with unparalleled courage and in full knowledge of the risks, went to meet his fate in a last desperate endeavour to save the peace of Europe and ward off the victory of communism. Eleven years have passed since he received before the court of Nuremberg the judgment of his bitter enemies—without any regard to the historically unique action he had tried to perform.

Rudolf Hess now, as a prisoner of the peace, waits behind prison walls for the day when the world at last will wake up to an understanding of the great moral worth and the real purpose of the feat which, on the 10th of May 1941, caused his name to be known throughout the world.

Hess was the deputy and the closest confidant of Hitler. In the late spring of 1941 he knew the plan of the German Führer to break with Moscow and attack the Soviet Union, whose menace to the western world he well knew. For a year he had pondered on means of escape to put an end to the enmity between England and Germany—France being already knocked out since the summer of 1940—and had finally come to the conclusion that nothing but an absolutely uncompromising personal stake of a responsible German statesman in the highest position could offer any chance to ward off the course of fate. Hess thus made up his mind to take this task upon himself, and he did it solely upon his own initiative and his own responsibility. He resolved to fly to Scotland for talks with the British Government, alone—without the permission of Hitler; indeed Hitler and the government of the Reich were to be totally ignorant of his plan.

After methodical secret preparations—so secret in fact that not even his beloved wife nor his son had the slightest knowledge of his intentions—Rudolf Hess on the 10th of May, 1941, took his place in a Messerschmidt hunting plane, specially prepared and outfitted for the feat. Thanks to his very great skill as a flyer, and also to good luck,

he succeeded in reaching his destination, Scotland, where he jumped in a parachute into the immediate vicinity of the castle, where his old friend, the British General Sir Ian Hamilton, was living. He was the one man, who, Hess hoped, could act as his intermediary and spokesman with the government of London.

Hess was immediately interned in England as a prisoner of state without any chance to lay his fears of a communist war victory before the London government.

For five years Hess then remained isolated in a British prison. After the end of the war he was brought by aeroplane back to Germany—to the prison for war-criminals in Nuremberg.

Here in 1946 he was to receive his judgment: imprisonment for life in Spandau. That was the end, many wished, of the man who was possessed by the thought of making possible a British-German peace and thereby hindering the development of the war into a world war, won by the Communists.

Rudolf Hess had decided to sacrifice his life, his honour, his family, his position as the deputy and closest confidant of Hitler—everything which was of weight and great value to him.

The victorious powers' treatment of Rudolf Hess was the most abominable judiciary crime of our time. If there really were a world-conscience, or at least a conscience common to the peoples of the West, it would be unthinkable that a man of Hess's character should up to this day, twelve years after the end of the world war, be kept a prisoner, still misunderstood and forgotten by the world. Every talk of Hess's "mental disease" or abnormality has been definitely disproved. Rudolf Hess is, in fact, still a man of supreme clearness of mind and of exceptional willpower. That his exploit brought forth no fruit of any kind was not due to any shortcoming of the man who performed it but solely to the blind hatred of the enemy milieu.

105-53447-10
ENCLOSURE

Rudolf Hess has not been crushed by the hard blows of an unkind fate. He has courage, tranquillity and complete mastery of mind. Sooner or later the day will come, when his name will be put down in the books of history as one of the most fascinating although most tragic in our time.—Holger Mollman-Palmgren, Stockholm, Sweden, reprinted from *The American Mercury*.

MORE ON FRANCE AND DE GAULLE

Last month THE REVERE ran an article on the political situation in France (A New Era For France?).

One point that we feel should be clarified is that we in no way intended outright endorsement of Gen. de Gaulle. We did, however, let our hopes get out of hand, it would seem, when we left the mistaken impression with some of our readers that we supported de Gaulle.

Gen. de Gaulle's present Jewish affiliations are now coming into the open. His cabinet is made up of Jews, Jew stooges and the same type of sub-human parliamentary scum that has made France the degenerate nation she has become.

A leopard cannot change his spots and apparently de Gaulle is the same old Jew-loving fool he always has been — the same traitor to the French people who was responsible for the shameful treatment of Marshal Henri Petain and the Vichy government patriots.

• (PARIS)—Michel Debre, Minister of Justice in the new de Gaulle cabinet, was reported here to be a Jew who is very active in Jewish communal activities. He was said to be a grandson of Dr. H. Schwartz, chief rabbi of Strassbourg.

• (PARIS)—Premier Charles de Gaulle confirmed France's close friendship with the State of Israel, in a message from Israel Premier David Ben Gurion on his investment as Chief of Cabinet.

The de Gaulle message, handed to Israel Ambassador Yaakov Tsur by Premier de Gaulle's secretary, declared: "I thank you for your kind message which expresses such noble sentiments. I greet the courageous Israeli nation with which France has solid links of friendship and shares the same spiritual ideals."

THE FAILURE OF CONSERVATISM

Most of our aroused patriots still take great pride in being CONSERVATIVE. But somehow their conservatism has noticeably failed either to conserve any part of what they believe worth of conserving or to check the relentless march of the Pharisaic Conspiracy toward world rule and ruination of the goyim (all the rest of humanity!). It is obvious that something is basically wrong with the reasoning of conservative patriots. Time never marches BACKWARDS! The CONSERVATIVE intellect is always a week late and a mile behind in any contest with the AUDACIOUS intellect. The rulers of the Conspiracy are intellectually audacious. It is painfully obvious who is winning!

Our conservative patriots talk unrealistically of voting our Pharisaic Masters out of power. One could just as realistically vote the fleas off a dog. How in heaven's name can we vote them out of power? All the instruments controlling public opinion are gripped tightly in their deadly clutches. Pharisaic control of our economy is absolute. The government obeys them exclusively. Any and all resistance to the Conspiracy has been publicly proclaimed "illegal, insane, immoral, and unChristian". And millions of brainwashed Americans have unwittingly fought for their own enslavement.

Cannot our wiser conservative patriots see that they are unwittingly following the path leading off to NOWHERE, pointed out to them by the Conspirators themselves? A new road to salvation is being blazed out of the Wilderness of Zion. The way is unmarked and hazardous, but our people must follow it bravely, OR PERISH!

In spite of all wishful dreaming about past freedoms and well-being under the Constitution, we must now face up to the awful reality of our predicament: THE CONSTITUTION IS DEAD, and we lie a demoralized, conquered people, ruled by a murderous alien enemy who is dedicated to destroying us utterly as a free White Christian people.

Pharisaic columnist Lillian Reznich Ott, writing in *The California Jewish Voice*, gloatingly described the piggish level to which the "free" American Gentile has been reduced:

"The mind that is conditioned to crawl must crawl into whatever pestilence it encounters or is ordered. The American people are trained like war

"dogs to bark and growl or wag the tail on signals from interested keepers. But no one knows or cares that all the shouting is about nothing but profits, profits amounting in the trillions. In short, the American people have become a nation of 'dumb driven cattle' (the standard Jewish pet name for the goyim!)."

The Conspiracy is leading our blind, foolish people like sheep into the slaughterhouse, luring us into their trap with lush clover and promises of more. Even now the door of the trap is silently being closed behind us.—The Patriot.

POISONOUS DRUGS IN OUR FOOD

Dr. Harvey W. Wiley was installed as chief of the Chemical Department of the Department of Agriculture in 1883 and held this position until 1912. Through his efforts the Pure Food and Drug Act was passed by Congress in 1906. That Act is still on the books. *It made it a crime to adulterate foods. BUT THE LAW HAS NEVER BEEN ENFORCED.*

Today poisons are being injected into food without limit, while the people believe they are protected by this law. A recent compilation shows that approximately 500 chemical materials are being added directly to food for various purposes. The Food and Drug Administration estimates that 150 of these 500 chemicals have not been adequately tested to show that they are harmless.

The Consumer Reports for 1956 read, "An important group of chemicals thought to be safe are synthetic dyes used to color food, drugs and cosmetics. Today 61 have been certified by the Federal Drug Administration for use in food. Since 1945, 15 dyes have been re-examined for toxic carcinogenic (cancer-forming) allergenic properties. Only one of these has been conclusively shown to be harmless."

The poisons used in one nationally sold bottled beverage are clearly in violation of the Wiley law, but the company's business goes merrily on. A tooth immersed in this drink has been proved to be dissolved in 30 days. Chemicals are increasingly used in city water supplies to prevent tooth decay, without any competent analysis to indicate what deleterious effects may result.

In 1953, the production of "surface-action chemicals," many of which are used to improve the

"stability" of such foods as bread, cake mixes and desserts, reached 921,000,000 pounds. "Agene" was used for 30 years to bleach flour, until the University of Aberdeen, Scotland, found it caused running fits in dogs and affected the mentality of humans. After several years this "Agene" was replaced with a chemical called "Alloxen"—a poison used in experimental laboratories to induce diabetes in animals.

Over 1000 chemicals have been used in foods. About 500 have now been discarded, and of this 500, 150 have not been scientifically tested. Of those which have been tested several have been found carcinogenic.

I receive material and protests on this subject from all parts of the country. Indicating the serious danger of this practice, I quote Dr. William E. Smith, of Englewood, New Jersey, cancer researcher, who said "cancer-inducing chemical additives and dyes are going into food for human consumption!"

THERE SEEMS TO BE A WELL-FORMED CONSPIRACY BETWEEN THE BIG CHEMICAL COMPANIES AND THE AMERICAN MEDICAL ASSOCIATION AND THE FOOD AND DRUG ADMINISTRATION TO LET THESE POISONOUS CHEMICALS BE INJECTED INTO FOOD, NOT FOR THE SAFETY OF PUBLIC HEALTH, BUT FOR THE PROFITS ARISING FROM THE MANUFACTURE OF THE CHEMICALS. An examination of the records leaves little in doubt as to the facts of this conspiracy.

I want the proper committees of Congress to make a thorough investigation of this matter, which they can do without any extra cost to the people. If we have ample laws now, they should be enforced. If not, then new laws should be enacted. One way to avoid cancer is to not create it by eating poisoned foods.—Usher L. Burdick, reprinted from *The American Mercury*.

FBI-ADL TERRORISM

THE REVERE has up to this point run a series of four articles exposing J. Edgar Hoover as a tool of the Pharisaic Conspiracy and shedding light on the close relationship between the FBI and the Jewish gestapo, the Anti-Defamation League of B'nai B'rith (ADL). (See "Masters of Deceit" and "The Anti-Defamation League", May issue and "FBI Seeks to Repress Patriotism" and "The Jews and the FBI", June issue.) There is, however, much more to this FBI story.

The FBI-ADL Conspiracy of intimidation and persecution of patriotic Americans is far more terrifying than the average person realizes. Just ask anyone who has really taken a positive stand against the Pharisaic Enslavers.

Take, for instance, the case of attorney J. B. Stoner of Atlanta, Georgia, active campaigner for Adm. Crommelin in Alabama's recent gubernatorial race, as reported in "The Thunderbolt":

"Mr. Stoner tells us that he has been followed from town to town on his business trips by a motorcade of FBI men. He took down the license numbers of these cars so as to get an injunction against this annoying and embarrassing bumper to bumper parade.

"When Stoner moved in to get the names of the owners of these cars, so as to get a restraining order against such terrorist activity, he found that their records at the Georgia license bureau had been pulled and it was impossible to move in legally against them.

"This is how the great FBI spends hundreds of thousands of Tax Payers' dollars, protecting the "security" of the USA, all this while the Communists run rampant through America - going and coming anywhere they please."

Everyday we receive reports of FBI-ADL terrorism. Remember Clinton, Tennessee, where 82 men investigated 16 segregationists, and Little Rock, where hundreds of FBI goons swarmed about like locusts, trying to frame the courageous Little Rock Freedom Fighters?

The only way to deal with the FBI-ADL bullies is to refuse to be intimidated by their shining badges and expensively printed credentials and to stand up against them at all times. Some sound advice: Never associate with FBI agents or Jews; they can-

not be trusted and they might be spying on you or trying to get evidence against one of your friends.

It is better to go down fighting than to let the enemy win by default, without taking losses himself. And besides, some of these FBI-ADL gestapo snoopers might wake up to the fact that a day of reckoning is near at hand and that they had better not be on the patriots' lists when it comes! DEATH TO THE TRAITORS!

"The association of the Races in public schools leads to love and marriage." -Walter White, late Executive Secretary of the NAACP.

"Integration will result in White girls being associated with Negro boys. * * * Naturally intermarriage would result. We of the NAACP are committed to a program of full integration." -Albert A. Kennedy, NAACP lawyer.

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. And the end is still a long way off. We still dominate you." Marcus Eli Ravage, Jew, in *Century Magazine*, January-February, 1928.

Enclosed for the Bureau is a copy of the July, 1958, issue of "The Revere," published by the Christian Patriots Crusade, P. O. Box 117, Hinsdale, Illinois. It was furnished to SA [redacted] on 7/17/58 by [redacted] who advised that the pamphlet had been sent to the Seaboard White Citizens' Councils, Washington, D. C.

On page 4 is an item headed "FBI-ADL Terrorism" which states that there is a "close relationship between the FBI and the Jewish gestapo, the Anti-Defamation League of B'Nai B'Rith." The article refers the reader to the book "Masters of Deceit" as a substantiation of this relationship. It goes on to say that "The FBI-ADL Conspiracy of intimidation and persecution of patriotic Americans is far more terrifying than the average person realizes" and quotes from "The Thunderbolt," publication of the National States Rights Party, how the FBI followed J. B. STONER of Atlanta, Georgia.

It cites purported "FBI-ADL terrorism" as in Clinton, Tennessee, "where 82 men investigated 16 segregationists, and Little Rock, where hundreds of FBI goons swarmed about like locusts, trying to frame the courageous Little Rock Freedom Fighters."

It says never to associate with FBI agents or Jews as they cannot be trusted and concluded that it is "better to go down fighting than to let the enemy win by default, without taking losses himself. The Jews are behind race-mixing and mongrelization. The trouble-making NAACP IS NOT really a Negro organization; it is under the domination and control of foul-mouthed, death-breathing JEWS. Jesus Christ exposed the Jews in all their naked infamy AND THEY MURDERED HIM. Los Angeles files likewise disclose no information concerning [redacted] not known to the Bureau and the offices of origin.

b7C

It has, of course, been brought to this office's attention in the past few years that literature issued by certain of the above organizations, namely, the Christian Educational Association, the Christian Patriots Crusade, the National Citizens Protective Association, and the National Renaissance Party (most commonly the first mentioned), has been distributed, usually by unknown persons via mail and under circumstances indicating no effort to organize branches in the Los Angeles area.

The literature concerning the National Renaissance Party has been invariably small, poorly done, mimeographed leaflets discovered during the past year inserted between the pages of books in school and public libraries in the Los Angeles vicinity, alluding to no local address or activities but attempting to interest the reader in subscribing to the organization's "Bulletin."

Of possible interest is a news article that appeared in the Los Angeles "Mirror News" dated January 18, 1955, which mentions that the National Renaissance Party had come to the attention of the House Committee on Un-American Activities, which had, in a report on "hate groups", stated one JAMES R. WHITE, billed as an "organizer" for the NRP in Los Angeles, had been a guest speaker at a meeting of the NRP in Yorkville, New York, on June 26, 1953; that WHITE had allegedly organized a fully uniformed group "in his city" and had distributed thousands of copies of the NRP's "Bulletin." The article suggested the House Committee had given WHITE "unduly high notice," adding that "whatever activities he may have engaged in for the NRP in the past now are pretty much discontinued," and that in any event WHITE had departed Los Angeles to attend the Hastings School of Law in San Francisco. In connection with this news item, it is interesting that none such mentioned activities on [redacted] part had previously come to this office's attention, and presumably were greatly exaggerated, if not total falsehoods.

b7C

The following is submitted for the Bureau's consideration in regard to the organizations mentioned in rebuairtel as existing in the Los Angeles area, along with two others which, file reviews show, fall in the category of "hate" mongers:

CHRISTIAN NATIONALIST CRUSADE, aka
(Bufile 62-43818)

The CNC continues to maintain its mailing headquarters in Glendale, California and is, along with its various "paper" auxiliaries, the media through which [redacted] by a staff of associates of long standing [redacted]

b7C

[redacted] maintains the publication of racially biased propaganda and preserves his following through personal appearances at meetings held in Los Angeles and sometimes in the course of tours across the country.

[redacted] and his organizations have been the subject of continuous investigation by the Bureau for many years until as recently as last year. He has not been found to advocate that his followers engage in violence of any kind, or that violence be involved in the solution of any of the problems he presents to his audiences and readers.

b2
b7D

[redacted] who has maintained an active interest for years in [redacted] and the CNC) in view of his frequent

meetings at the Embassy Auditorium in Los Angeles, stated on October 20, 1958, that [] and his associates, including the former California Klan leader, Rev. WESLEY SWIFT, have never committed themselves to a course of violence. He said that [] organizations are not membership organizations but b7C are only "paper" organizations, and thrive on the sale of literature, almost entirely of [] own production, and the contributions from his audiences at meetings and others who approve the tenor of his literature and accede to his frequent appeals for funds. (His CNC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing the names of those who contribute over \$100.)

He stated [] activities are always open and aboveboard, and his character is such that were he to be approached by the authorities he would more than likely turn over the keys to his office, to the embarrassment of his interviewers. It is this openness, coupled with his unique oratorical and organizing abilities, and an excellent sense of discretion in relation to the legality of his movement, that has permitted him to endure as the pre-eminent public crusader of a "white Christian America." His continued success remains dependent on these considerations, and his being involved in any way with the illegal activities of violence, such as the bombings in the South, would be his downfall. In other words, he has too much to lose to involve himself in such activities.

[] said this conclusion likewise applies to his associates, including SWIFT, over whom [] exercises personal direction. Moreover, SWIFT is too intelligent a man to have not come to realize with the passing of time that the course most conducive to his own interests (if he ever thought otherwise) is one of avoiding similar involvement. [] added that [] reportedly expressed his serious concern that his organization might unjustly be blamed in some way for the recent bombings in the South.

b2
b7D

b7C

[] Community Relations Committee, Los Angeles Jewish Community Center, Los Angeles, California, who has likewise maintained an active interest for years in [] organizations, in concert with other Jewish investigative organizations throughout the country, stated on October 20, 1958, that [] primary interest is financial and that he is too intelligent to permit himself or his associates to bring about the ruin of his whole "racket" by involvement, direct or indirect, in violence such as the bombings in the South. He said he has not heard and does not believe that

b7C

a serious possibility exists that [redacted] or his associates have any relation to the bombings.

b7C
b7D

[redacted] of the Los Angeles Sheriff's Office's Anti-Subversive Detail, [redacted] of the Pasadena, California Police Department, [redacted]

b7C [redacted] of the Glendale, California Police Department (on October 22, 1958) were able to furnish no information indicating that the above characterizations of [redacted] and his organizations are not true. All the above sources stated that they have received no information indicating that anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of possible involvement in the recent bombings in the South.

"WILLIAMS' INTELLIGENCE SUMMARY"
(Bufile 105-10091)

Los Angeles files disclose [redacted] has been engaged solely in the publication of his literature, and that there is no information that he has advocated violence in the solution of racial problems. He has, moreover, been interviewed by Special Agents on two or three occasions in the past and has always been cooperative.

b7C

[redacted] Santa Ana, California, who has been reliably cooperative with Agents of this Office in security matters on several occasions, stated on October 23, 1958, that he has been acquainted with [redacted] for some time in Santa Ana and that as

b7C long ago as 1957, [redacted] ceased publishing the "Williams' Intelligence Summary" under the name Williams' Publications, Post Office Box 868, Santa Ana, of which he was the sole proprietor. He said that [redacted] quit because his literature activities had never been remunerative; that [redacted] has since moved to [redacted] and is now the [redacted]

b7C

b7C [redacted] that he never had a membership organization or advocated violence in his writings, and has made no trips outside of California during the past couple years, and could conceivably have had no connection with the bombings in the summer.

[redacted] and [redacted] (above) both confirmed the statements that [redacted] is not known to have advocated violence in his articles, or to have been more than a publisher of his own writings on communism and subversive influences from an anti-Semitic point of view.

AMERICAN NATIONALIST
(Bufile 105-22921);

KEEP AMERICA COMMITTEE
(Los Angeles file 100-33703)

The American Nationalist (AN), Post Office Box 301, Inglewood, California, is the name under which [redacted] publishes (on an irregular basis) the four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs which [redacted] mails locally and allegedly to addressees in the southern states. [redacted] and the AN have been the subject of previous investigation by this Office in 1953 and again in 1956. [redacted]

[redacted]
b7C

[redacted] Inglewood, California, stated on October 22, 1958, that [redacted] AN has been investigated by the Postal Inspectors on four or five different occasions, but has never been found to have misused the mails, having never advocated the use of violence in his literature. [redacted]

[redacted] He added that the AN is not a membership organization, conducts no meetings, and is solely operated by [redacted]

[redacted] He added that [redacted] is not the sort to get along with others and he has never sought the association of others in his AN.

The Keep America Committee (KAC), Box 3094, Terminal Annex, Los Angeles, California, is similarly a name behind which [redacted]

b7C

[redacted] publishes literature, usually reprints of other "nationalist" literature. None of the various items that have come to this Office's attention advocates violence,

seeks membership or mentions organized activity, but only indicates that the particular items can be ordered in batches at a price from the KAC.

b2

b7D

[redacted] and [redacted] (above) both state that their organizations have been actively interested in [redacted] and [redacted] and have learned that the AN and KAC are not and have never sought to be membership organizations, hold no meetings and are operated solely by [redacted] for the production of literature. They stated that neither is known to have advocated violence or to have been associated with anyone who has. [redacted] added that [redacted]

b7C

[redacted] They stated that it is not conceivable that either [redacted] have any connection with the bombings in the South and that neither has the ability nor the funds to engage in any activities outside the state, except for the mailing of literature.

[redacted] of the Anti-Subversive Detail of the Los Angeles Sheriff's Office; [redacted] of the Pasadena, California, Police Department; [redacted] of the Glendale, California, Police Department, [redacted] of the Inglewood, California, Police Department (on October 22, 1958), were able to furnish no additional pertinent information concerning [redacted] and [redacted]

b7C

GENERAL

All of the above-mentioned sources stated they have received no information indicating anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of involvement in the recent bombings in the South.

Contact with security informants and all other logical informants and sources has been unproductive but has served to alert them to the importance of immediately forwarding information concerning persons or organizations possibly relating to bombings in the South to this Office. Contact with them will be maintained on a continuing basis.

RECOMMENDATIONS

It is recommended that no active investigation be undertaken in connection with the "Williams' Intelligence

b7C

[redacted] in view of its discontinuance almost one year ago, and [redacted] disassociation from his past activities, being presently absorbed in his new business. It is also considered, [redacted] a nonmembership type engaged in issuing literature, investigations of [redacted] American Nationalist and [redacted] Keep America Committee are not warranted and would be ineffective in achieving the Bureau's primary purpose in these investigations; consequently, no active investigation will be conducted of these three organizations, UACB.

b7C

With regard to [redacted] Christian Nationalist Crusade: From investigation conducted in the past (until 1957), the continuing review of literature emanating from the CNC and the continuing attention it receives from local sources, a presumptive pattern has been established indicating that [redacted] and his associates are not of such a radical nature as to present a potential for violence, except, of course, insofar as deep-seated, racial ill-feeling is engendered in some readers of his literature. In investigating [redacted] and his associates to ascertain whether the above-mentioned presumptive pattern does not apply equally to their activities when outside of California, it would seem necessary to establish a source among [redacted] inner staff which, it is believed, would constitute a grave risk of embarrassment to the Bureau, because it is apparent that the interests of each associate is the interest of all. Other investigative steps, it is believed, could hardly achieve the primary purpose for initiating investigation.

The Bureau is requested to advise whether it desires the risk be undertaken, nevertheless, or whether it is thought a direct approach to [redacted] and/or any of his associates, and for that matter [redacted] for any information they may have heard in connection with the southern bombings, is not warranted. [redacted] may, in the past, have ridiculed the idea of the FBI investigating him and his organization(s), but it is not recalled that he has been critical of the Director or the FBI.

This Office will, in addition, review its files to identify certain individuals who may have participated in Klan activities years ago to establish their present activities and to determine if they might properly be considered within the Bureau's program.

Reference is made to your memorandum dated October 30, 1958, your reference MA:WFD:bcs, 48-23-674, 146-1-3419, in which you requested to be furnished with any information indicating any direct or indirect interest or participation on the part of [REDACTED] or those with whom he is associated in recent bombings. b7C

For your information, an article appeared in the October 23, 1958, issue of the "Hinsdale Doings," a weekly newspaper published in Hinsdale, Illinois, under the caption "Telegram Stirs Up Tempest on Hinsdale Scene." This article reflected that Mayor William Hartsfield, Atlanta, Georgia, had on October 13, 1958, sent a copy of a telegram received by him to the Mayor of Hinsdale, Illinois. This telegram which read, "Ha, ha, ha ha," was signed by the Christian Patriots Crusade, Box 147, Hinsdale, Illinois. Inquiry by local authorities reflected that this telegram had been charged to the telephone at the residence of F. Allen Mann, 841 South County Line Road, Hinsdale, Illinois.

According to this article, Mann, when questioned by a reporter concerning the telegram, disclaimed any knowledge of it and alleged that "someone is trying to stir up something. They are reaching for straws."

A confidential source, who has furnished reliable information in the past, advised on October 14, 1958, that [REDACTED] for the "Sun Times," a daily newspaper published at Chicago, Illinois, had contacted [REDACTED] concerning the telegram. According to this source, [REDACTED]

ARE THE JEWS BEHIND THE BOMBINGS?

More and more, the consensus of opinion among informed observers is that THE JEWS THEMSELVES are the ones actually responsible for the recent bombings of Southern schools and synagogues. It is pointed out that ONLY THE COMMUNIST JEWS STAND TO GAIN ANYTHING FROM THESE SENSELESS ACTS OF VIOLENCE.

The Jews dream of world conquest. They think of little else. They are fanatical about it. It is frightening to contemplate the horrors the Jews have PUBLICLY STATED are in store for their hated enemies, THE CHRISTIANS, upon the establishment of the Jewish World Dictatorship. HATE keeps the Jews united; it is the driving force behind their evil and wicked schemes and intrigues against mankind.

The Jews are cunning and diabolical. They will stop at nothing. They even blow up their own synagogues, and then order their flunkies—the lying press, the police and the FBI—to blame patriotic Christian Americans. It's a neat trick, but old hat for the satanic communist Jews.

The Jews hope to parlay their bombing successes into a victory for Jewish Communism. They plan to exploit the bombings (1) to create sympathy for Jews, (2) to destroy all opposition to the Jewish-Communist Conspiracy, (3) to eliminate the daring patriots who stand in the way of the Jewish drive to enslave the world, (4) to scare the Jewish masses into contributing huge sums of money to Jewish race-mixing and terrorist outfits, (5) to "justify" the passage of harsh and restrictive measures designed to suppress patriotic Christian Americans and hasten race-mixing in the South, (6) to further destroy Christianity and (7) to increase the powers of the gestapo-like FBI and its Director, J. Edgar Hoover.

Already, the hate-filled Jewish press is calling for a ban on "anti-Semitic" activities, including the distribution of "anti-Semitic" literature through the mails.

Instead of being saddened by the synagogue bombings, Jews everywhere are rejoicing. But then, why shouldn't they? For not only have they brought nearer

Relax, Friend, This Is PROGRESS!

the day of Christian enslavement, they have caused five Atlanta Christian white men to be indicted for a JEWISH CRIME (a most worthwhile achievement for the Jews, according to the bible of the Jews, The Talmud). The Jews have accomplished this feat with the cooperation and assistance of their Gentile stooges—FBI morons and bullies and Atlanta's WHITE TRASH Mayor, Prosecutor and Police Chief. (Atlanta's corrupt city government and police department are infested with communist Jews. The Jews and their controlled city press rule Atlanta. Mayor Hartsfield, a chronic groveler and trouble-maker, Police Chief Herbert Jenkins and Prosecutor Paul Webb are willing tools of Atlanta Jewry.)

THE TRUTH ABOUT THE BOMBINGS MUST BE MADE KNOWN TO ALL WHITE CHRISTIAN AMERICANS. Only when more people become aware of the GUILT of the Jews can we begin to do something about it.

The five Atlanta Patriots must be freed. The real criminals must be brought to justice for their CRIMES AGAINST HUMANITY.

SETS RECORD STRAIGHT

A sinister and vicious smear campaign has been unleashed against the Editor of THE REVERE, F. Allen Mann, and the Christian Patriots Crusade. Entirely unfounded and totally inaccurate statements, regarding the recent synagogue bombings, have been attributed to him. He has, therefore, found it necessary to set the record straight and make his position official. The following press release was issued on October 24, 1958:

"I emphatically state:

"That I deplore and oppose all kinds of illegal violence.

"That I have never and do not now advocate violence against any race.

"That I have never knowingly been associated or affiliated with any individual or organization advocating violence of any kind.

"That I endorse only peaceful and legal means for attaining my political and religious objectives.

"That it is my personal conviction that the school and synagogue bombings and subsequent publicity are part of a plan to discredit and smear patriotic individuals and organizations."

MORE FROM "THE PATRIOT"

Poor honest Christian, your Jewish "friends" somehow failed to tell you how yearly on the evening of Yom Kippur, when all good Jews are assembled together in the synagogue, the following prayer, the Kol Nidre, is thrice chanted:

"All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, beforehand, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

What are these paragons of "sweetness and light" discussing in the privacy of their synagogues about those of us who have no intention of submitting docilely to their One-World Government (Jewish-ruled, natch!) with its one-race, no-religion, hell-on-earth for Gentiles?

Listen to the soothing words of Rabbi Leon Spitz, as reported in The American Hebrew, March 1, 1946, in "Glamorous Purim Formula", subtitled, "Exterminate Anti-Semite Termites As Our Ancestors Did 2,500 Years Ago":

"American Jews too must come to grips with our contemporary anti-Semites. We must fill our jails with anti-Semitic gangsters, we must fill our insane asylums with anti-Semitic lunatics (Mental Health!), we must combat every alien Jew-hater, we must harass and prosecute our Jew-baiters to the extreme limits of the laws." (And THEY make our laws and dictate to our courts!)

Democracy (rule by the PEOPLE) means now rule by JEWS. Remember, WE are just THEIR "stupid goy cattle", to be milked, slaughtered, or interbred at THEIR pleasure! We are to be integrated (mongrelized)! The Masters have spoken! THEY decree the "Law of the land" now. Your sons, homogenized in the Army with Negroes by order of Anna Rosenberg (have you forgotten?), are going to enforce it for THEM, if they have to kill YOU! and they do mean YOU!

NEWS BRIEFS

• A bitter feud is brewing between two "charitable" (?) organizations raising funds for the same "cause" (?). The Muscular Dystrophy Association of America, headed by Jerry "Lewis" (Levitch), is planning to bring suit in Chicago against the National Foundation for Muscular Dystrophy. A similar suit in New York has restrained another "charity" (?) from competing with a better-known group of the same type. These legal maneuvers might best be described as "The War of the Racketeers".

• The American Cancer Society's refusal to test Krebiozen, a cancer drug, has brought protests from the Committee for a Fair Test of Krebiozen, Inc. The action was described as "absolute betrayal of the millions of suffering cancer victims". John M. Davis, committee president, stated: "At this time, when the Society is collecting \$30,000,000 every year for the explicit purpose of finding a remedy for cancer, we cannot understand why it refuses to even look at this one drug..." Editor's Note: Well, WE understand.

WHAT DO YOU THINK?

Forcing owners to hand over their property to the government for Public Housing is robbery.

Public Housing is Communism. The purpose of Slum Clearance is to create a scarcity, so the government can have an excuse to confiscate homes and build housing units. Urban Renewal is a federal financed program which permits city governments to seize homes. All "Federal money" comes out of the taxpayers' pockets. So we are being made to finance our own destruction. The Supreme Court says the Congress and state legislature can do anything they like to private property so long as they claim they are doing it for the public good.

Federal Housing Act (FHA) is a menace to our security. If one must borrow money let it be from an individual or private firm. Our nation was built on private ownership and free enterprise; they are our very foundation. Destroy them and watch our nation fall. If property owners do not stand up and fight for their rights they will soon find they have no rights to fight for. The Bible says, "Every man shall sit under his own fig-tree." It does not say under a government owned fig tree.--Phoenix, Arizona, October, 1958, Mrs. M. Conan.

HYPOCRISY IN "LIBERAL CENTER"

NEW YORK (AP)--Wanted: Midtown Manhattan apartment by Harry Belafonte, Negro, American.

The singer-actor said Saturday that's the basis on which he wants to obtain living quarters for his white wife and their 2-year-old son, David.

However, he added, he can't find a landlord willing to accept him in the city Belafonte regards as "The Liberal Center of the U.S."

"It has me so angry, I get tongue-tied," he said. "Look, I want a suitable place to live. I won't use subterfuge to get it."

Belafonte pointed out he could get a desirable apartment on a sublease or under someone else's name, but that's not the way he wants it.

He said Mrs. Eleanor Roosevelt, widow of former President Franklin D. Roosevelt, offered to buy a building with him. "But I'm not looking for the easy way out."

Belafonte said he plans to invoke his rights under a state law banning discrimination in private housing.

Meanwhile, the Belafontes are staying at the Waldorf-Astoria Hotel because his family has outgrown his two-room apartment in the West 70s.

"The turn-downs were very systematic," said Belafonte. "Apartments would be available till it was time to sign a lease. Then when it was discovered the apartment was for me, something would happen--a deposit by another tenant had been forgotten or a partner had promised it to his cousin--all kinds of shenanigans."

"The awful part is that some of the people involved belonged to organizations with the highest ideals of human existence--the professed liberals."

Belafonte said he had thought of buying a cooperative apartment. His wife, Julie, was quoted a price of \$35,000, he said, but when he went to see it, the figure had doubled.

STATEMENTS OF PATRIOTS

The Atlanta police have no leads or evidence against the five men they arrested for the Atlanta synagogue bombing. The five patriots are victims of Jewish persecution. Here are their first statements after five days and nights of RUTHLESS POLICE GRILLING:

CHESTER GRIFFIN--"I was sound asleep in my bed by 10 p.m., the night the building was bombed. The temple was bombed by communist Jews in an effort to discredit and smear the brave and rapidly growing National States Rights Party."

WALLACE ALLEN, polio cripple, father of two small children--"I have never bombed, nor taken part in any bombing of any temple or any building, nor have I conspired to do so. I hope that Mr. Eisenhower, who makes so many pious statements about freedom and justice, is happy with his communist-like FBI."

GEORGE BRIGHT--"I have never, in all my life, condoned, discussed, planned or participated in any deeds, acts or thoughts of any violence, including the bombing of the Jewish temple."

ROBERT & RICHARD BOWLING--"Because of my personal political beliefs I have again been framed by the Atlanta police and alien-controlled Atlanta newspapers, acting on orders and pressure of Jewish-communist pressure groups. I am a member of no organization dedicated to violence and have never associated with anyone who is. I have never planned or conspired with any persons or parties to bomb or destroy any building of any kind."

NEGRO CONQUESTS IN CALIFORNIA

Discussion of the race or the religious question is taboo in the daily press in California. Mention of either is seldom permitted in news items or letters to the editors.

On the street I live on, which is used by the colored pupils from several miles away, who live in a colored district, to go to the central high school near my house, during school opening and closing hours gangs of Negro toughs, consisting of from five to fifteen boisterous individuals patrol the streets, shouldering whites off the sidewalks. I saw one gang smash a hot dog stand in and rifle it of contents when the operators were away. Another gang surrounded a white and a Mexican girl and pushed them at each other trying to force them to fight. When I rescued the white girl, the crowd followed me onto my lawn booing and making insulting remarks. As usual, the police arrived too late to find anyone.

Two days ago an 80-year-old man, tired of being shouldered off the sidewalk by the Negro toughs, stood his ground and elbowed one of them in the belly. The gang did not attack him. He asked me where to go to obtain a permit to carry a gun.

Gangs of Negroes are strong arming one or two sailors and robbing them in the parks and on the streets, sometimes in the daytime. The word "Negro" is not used in press reports of crime but the fact that they are Negroes can be generally determined from their addresses in the colored section. Other couples of Negroes hire a taxi, order the driver to drive to some place in the Negro section, then threaten him with a knife or slug him and rob him. Of course in California no one may refuse any service, or entry into a place of business, to anyone because of race or religion; so the taxi drivers must accept Negro fares whether they want to or not.

One Negro got \$1,100.00 in damages by applying for lodging at 11 motels. When he was denied entrance on various pretexts, he filed suit and was awarded damages by the court of \$100.00 for each violation of the law. This decision was widely publicized.

Several weeks ago a troublesome, boisterous Negro bawled me out and made abusing remarks because he did not like my driving. He got out of his car and made a threatening advance toward me. Not having my gun with me I called the police. They refused to do anything.

I have a large house on the street, which I advertised for lease. An owner of a girl's school for secre-

taries phoned me and then came to see about it. When she got to my house, next door, she said, "I guess I can't use it. When I came across the street I was accosted by a Negro youth standing on the corner. I am sure the parents of my girls will not let them come to a school where they will be insulted by these toughs, and they would be afraid to come to the night classes."

Many of the Negroes going to the high school are large, fully grown men, apparently much older than the average whites, probably because they are slower to pass from grade to grade.—James H. Johnson.

MESSAGE FROM THE EDITOR

The pressure on us here is tremendous. We are forever being hounded by reporters (who misrepresent what we say to them), government snoops and all kinds of trouble-makers. It is especially hard for us to bear these burdens when we don't hear from our friends and when we don't know where the next dollar is coming from.

THE REVERE is sustained entirely by subscriptions, contributions and literature orders. We have no other source of income.

If you are not a subscriber, won't you join with us? A year's subscription is only \$2.00, and two dollars can go a long way here at the office of the Christian Patriots Crusade, where no salaries have ever been paid.

If you are already a subscriber, won't you subscribe for a friend or urge someone to subscribe for himself? If each of our present subscribers would get behind this project, it would help a great deal.

Remember, we cannot do any kind of a job for you without support and funds. We must depend on you, our friends, to keep THE REVERE on the firing line. Please, don't let this Crusade die. Let us hear from you soon.—F. Allen Mann, Editor.

Bulk rates for this issue: single copies 10¢; 25 for \$1.00; 100 for \$3.00; 500 for \$12.50; 1,000 for \$20.00.

III. STATED AIMS AND OBJECTIVES

Criticism of the FBI

In the June, 1958, issue of "The Revere", Volume 4, No. 6, there appears on Page 1 an article entitled, "FBI Seeks

CG 105-3802

to Repress Patriotism". According to this article, "The FBI is being used to investigate an organization, headed by a man calling himself the Patriot, which they allege is 'plotting to overthrow the Government by force and kill all the Jews'". According to this article, our Constitutional Government has already been overthrown and "freedom of speech and of press is gone!" This article alleges "The FBI has never sought a criminal with one-thousandth the effort with which they will be required to hunt us."

On Page 2 of this publication there appeared an article entitled, "The Jews in the FBI", where derogatory comments were set forth concerning FBI personnel and FBI Agents were described as "snooping and prying, coercing and bullying". This article alleges that the "ADL (Anti-Defamation League) and the FBI are working hand in hand".

On Page 4 of the May, 1958, issue of "The Revere", Volume 4, No. 5, there appeared an article entitled, "Masters of Deceit".

According to [redacted] this anti-Semitic article was a vicious attack on the Director, J. EDGAR HOOVER of the FBI.

b7D

On Page 3 of the March, 1958, issue of "The Revere", Volume 4, No. 3, there appeared an article entitled, "Are You Afraid to Die?" This article in part stated as follows:

"From this day forward let every decent American enlist himself in the battle against Communism. Do not be frightened when FBI Agents come to your door and threaten to imprison you for life because you are against Communism. Many of them are not FBI Agents at all but are Communist secret police, armed with forged and seemingly acceptable FBI credentials."

CG 105-3802

Ku Klux Klan (KKK)

According to [redacted] is interested in the KKK and has written several articles in the past in "The Revere" which have been favorable to the KKK. [redacted] did not know [redacted] to engage in any KKK activities.

b7C
b7D

[redacted] knew of no KKK activity on the part of [redacted] but believed him to be favorably inclined towards the Klan.

Articles In "The Revere"
Regarding Bombings

On Page 2 of the June, 1958, issue of "The Revere", Volume 4, No. 6, there appeared an article entitled, "Bombings" which in part is as follows:

"...The recent bombings of Jewish centers in the South show that the white people of that area are awakening to the Jewish menace and are taking positive steps in the direction of curbing it.

"Although the newspapers have recently given coverage to a number of these bombings, most notably those in Jacksonville, Miami, Nashville, and Birmingham, they have not even begun to give the whole story. The fact of the matter is that well over 45 Jewish Centers have been bombed within the past 16 months. (Quite a record!)"

On Page 1 of the October, 1958, issue of "The Revere", Volume 4, No. 10, there appeared an article entitled, "Are the Jews Behind the Bombings?", which in part is as follows:

"The Jews are cunning and diabolical. They will stop at nothing. They even blow up their

CG 105-3802

own synagogues, and they order their flunkies - the lying press, the police and the FBI - to blame patriotic Christian Americans. It's a neat trick, but old hat for the satanic Communist Jews."

The Mayor of the City of Atlanta, Georgia, wrote a letter addressed to the Mayor of Hinsdale, Illinois. This letter contained a copy of a telegram received by the Mayor of Atlanta which stated, "Ha, ha, ha", and was signed by the Christian Patriots Crusade, Box 147, Hinsdale, Illinois.

CG 105-3802

[redacted] inquiry into this matter disclosed that [redacted]
[redacted] The above telegram was sent from Western Union, Le Grange, Illinois, and was placed telephonically by an individual from Telephone Number [redacted] on October 13, 1958. This telephone is listed to the [redacted] residence in [redacted] Illinois.

b7C

[redacted] indicated that the village officials in Hinsdale furnished the Mayor of Atlanta with the above information. [redacted] indicated he planned no specific action in this matter.

to the U. S."

According to [redacted] this group was planning to march in front of the Amphitheater on January 20, 1958. They had no discussion as to entering the Amphitheater or engaging in any type of violence. The purpose of this "freedom march" was for publicity and to make their feelings known.

On January 20, 1958, [redacted] advised that [redacted] had, on January 17, 1958, sent out postcards requesting the recipients interested in participating in the "freedom march" to travel to the Stock Yards Bank in Chicago where they would meet at 4:30 P.M. and begin their march at 4:45 P.M. All those interested were requested to call WE 9-7126.

continues to maintain an office in Room 800, 537 South Dearborn Street, Chicago, Illinois. Mrs. LYRL CLARK VAN HYNING is the Editor of "Women's Voice" and is responsible for the policies and views set forth in this publication. The articles are violently anti-EISENHOWER Administration, anti-Semitic, anti-Masonic, anti-Catholic, and opposed to present foreign elements in this country.

We, the Mothers, Mobilize for America, Incorporated, purports to be against all brotherhood groups, yet claims to follow the teachings of the Bible. The main interest of this group is in securing subscribers to its publication, "Women's Voice." Those in attendance at occasional meetings of this group consist mainly of women who are past 50 years of age and number less than 100.

He was born [redacted] married, and lives with his wife in a modest section. In early 1955, [redacted] broke into a local school, tore down pictures, threw ink and oil over the walls and desks, tore down the Georgia and American flags, disfigured and destroyed them, tore various pages from the Bible in the school, and in general did much damage to the property. On August 26, 1958, [redacted] advised SA [redacted]

[redacted] had advised him that [redacted] who resides on the West Coast of the United States, was actively engaged in raising money on the West Coast which was to be utilized for the defense for [redacted] and others who were arrested by the Atlanta, Georgia, Police Department, for picketing activities of the Atlanta Journal, an Atlanta, Georgia daily newspaper. The picketing activities of [redacted] referred to occurred on [redacted] and involved five individuals who were carrying signs bearing Anti-Jewish statements.

The Atlanta Office of the FBI on October 23, 1958, received an undressed letter in an envelope which letter was captioned "Atlanta Scandal". The contents of this paper purportedly were written by [redacted] and states as follows:

b7C

"A very disturbing report has come to my desk. Five young patriots in the State of Georgia decided that they had their stomachs full of Jew-created, Jew-slanted news stories concerning what is going on in the world. Two of the worst newspapers in the United States are in the City of Atlanta. They do not reflect the Southern tradition. It is believed by many keen observers that both of these journals are manipulated by people who do not have the best interests of the South at heart.

"These five young men, representing a body of patriots, decided to protest these newspapers with signs protesting Jewish influence. They were picked up, railroaded, and sentenced to 30 days in jail. I have the names and addresses of the young men, but I am not going to give them to the public because I do not want them to be the victims of increased persecution. It is my understanding that they were released under bond and are appealing their cases. We propose to go into the matter thoroughly and if the situation is what it seems to be, we shall advise our friends to come to their aid, comfort and encouragement of these young men who have only been denied their civil liberties, but have become the victims of Jew-controlled tyranny.

AT 62-1673

"Atlanta is a bad city. It has many bad people in it. The politicians in that city are inclined to be the puppets of the secret Jewish machine. Do not judge the State of Georgia by what goes on in the City of Atlanta. The politicians of Atlanta have always fought the Talmadges and the people who have come to the defense of Southern tradition. Very frequently the Negro politicians of Atlanta are under the direct manipulation of New York Jews as well as Atlanta Jews.

EXPOSING THE ENEMY

As the result of many long years of insidious infiltration, the Jews have gained control of nearly every denomination of Christianity. The teachings of Jesus have been subverted and diluted. Our religious schools, under Jew-ized leadership, have been turning out an alarming number of brainwashed disciples of alien and satanic ideologies.

We are reminded of the words of Bernard Lazare, a Jew, in his book "Anti-Semitism":

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, THE ANNIHILATION OF THE RELIGION OF CHRIST (emphasis added—Ed.)."

Our fellow Christians have been betrayed by those who should be arming them with the Protective Word of Jesus. Christian ignorance of fundamental and basic Christian principles is the main weapon in the Jewish arsenal.

How many Christians know of Christ's lifelong struggle with the Pharisees and his point-by-point exposure of the Pharisaic Conspiracy—the 23rd chapter of Matthew?

And what is even more important, how many Christians know that today's Jews are the SPIRITUAL DESCENDENTS of these very same PHARISEES (although racially they are mongrelized Asiatic KHAZARS, making them PROSELYTE Pharisees, "twice the sons of Hell")?

Read what Talmudic Professor Louis Finkelstein (the same who taught "Jewish Law" to Earl Warren, Chief Justice of the Supreme Court) wrote in "The Pharisees", published in Philadelphia, Penn., by the Jewish Publication Society of America, in 1946:

"PHARISAISM BECAME TALMUDISM, Talmudism became Medieval Rabbinism and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom and adjustment of Law, THE SPIRIT OF THE ANCIENT PHARISEE SURVIVES UNALTERED."

How many Christians know that the bible of the devils our false men of God refer to as the "benign, righteous and noble" Jews is the BABYLONIAN TALMUD—that the Talmud stands as the SUPREME AUTHORITY of Judaism—that within its many volumes is contained the vast body of Jewish law, philosophy and ethics?

The Talmud is a collection of filth, degeneracy and hatred of Christ and Christians. Portions of it are so vile as to be unprintable.

"The Talmud," writes Elizabeth Dilling, "teaches that Jesus was the bastard son of the hairdresser Mary—that Jesus was much lower than an ordinary criminal—that all non-Talmudists rank as animals and may be KILLED, ENSLAVED and CHEATED by the only 'humans', the Pharisaic Talmudists, for whom the world was made to rule."

The mask of Jewish SHAM DEGENCY must be removed. The myths and lies surrounding the Jews must be dispelled. Only when the people know who the Jews are and what they really stand for can we begin to effectively combat the Pharisaic Conspiracy and rid ourselves of the PHARISAIC PESTS.

AFTERMATH OF A SYNAGOGUE BOMBING

The Jews certainly are profiting handsomely from the October 14, 1958, Atlanta synagogue bombing. They are exploiting it for everything it is worth, as the Jews are so often inclined to do with everything.

BOMBING THEME HELPS B'NAI B'RITH RETAIN MEMBERS

The Jewish press has been abounding with articles providing observers with examples of the many ways in which Jewish leaders have used the bombing to whip Jewish stragglers into line and drum up additional funds for the Anti-Defamation League (ADL) and other Jewish race-mixing, espionage and terrorist outfits.

A typically revealing case comes from the December 26, 1958, issue of THE NATIONAL JEWISH POST AND OPINION:

"CINCINNATI, O.—B'nai B'rith has used the Atlanta synagogue bombing and resultant newspaper publicity 'to good advantage in furthering the efforts of membership and retention workers,' the B'nai B'rith district grand lodge No. 2 bulletin reported this month.

"THE BULLETIN, edited by Max Kohnop, noted that the newspaper publicity 'gave considerable information relative to background material, particularly the part that B'nai B'rith played in the apprehension of the five suspects in the bombing.'

"Reference to the bombings was made in an article describing 'the most intensive membership campaign in the history of the order.'

"THE BULLETIN added that all district 2 lodge presidents, retention chairmen and financial secretaries have received flyers 'showing reprints of newspaper publicity on the bombing, in efforts to get delinquent members to pay their dues.'

"Quite a few lodges used this material with gratifying results,' the bulletin said."

BOMBING BRIEFS

• Christian leaders and politicians, from Eisenhower on down, in bemoaning the dynamiting of the (Atlanta) synagogue, in which no one was injured, make no reference to the 3,000 churches destroyed in Germany during the Second World War, or the 287 churches and temples destroyed by a single Hell Bomb at Hiroshima, Japan. In most cases, these churches in Germany and Japan were filled with worshippers, helpless women and children, refugees from the terror unleashed against them by Jewish politicians in the United States and Germany. —Eustace Mullins.

• The Jews have amassed contributions surpassing 250 times the amount actually needed to repair the synagogue damage. Five Atlanta patriots have been subjected to gestapo treatment by the Jewish-controlled Atlanta police and the FBI. Hundreds of patriots all across the nation have been harassed, questioned and intimidated by FBI and ADL agents. Tremendous pressure is being exerted upon members of the new Congress to enact legislation restricting Freedom of the Press and banning patriotic publications from the mail. All this and more as the result of an insignificant bombing obviously engineered in one way or another by Communist Jews.

• No rational patriot could have been responsible for the Atlanta synagogue bombing. The building is not particularly guilty of any crime. After all, convicted murderers are put to death. The pool rooms and bars where they plan their crimes are not blown up.

• Few Americans know about the agreement made by the Anti-Defamation League and the FBI in 1938, in which they agreed to have access to

each other's files; or that FBI agents, when reporting on an investigation which involves Jewish interests, send a carbon copy of their report to the ADL headquarters in New York, for which they receive \$100., a sum which is not reported on their income tax. Some FBI agents receive as much as \$600. a month extra for sending these reports to the ADL. J. Edgar Hoover's recent book, "Masters of Deceit", was largely written for him in the ADL offices in New York, for favors received. —Euseace Mullins.

* The Atlanta police must answer why they railroaded (George) Bright's star witness to the insane asylum so that she could not testify in his behalf. —RIGHT.

BROTHERHOOD WITH THE CRUCIFIERS?

In February, the curse of Brotherhood Week will once again be upon us. Sponsored by the Jewish-inspired, financed and controlled National Conference of Christians and Jews, Brotherhood Week is promoted by the ENEMIES OF CHRIST for the sinister purpose of DUPING MILLIONS OF UNSUSPECTING AND BRAINWASHED CHRISTIANS INTO ACCEPTING INTO THEIR MIDST THE VERY HELL-INSPIRED CONSPIRATORS WHO ARE PLOTTING THE DOWNFALL AND ANNIHILATION OF CHRISTENDOM.

"Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? (II Cor. 6:14)."

"Whosoever transgresseth, and abideth not in the doctrine of Christ, HATH NOT GOD. He that abideth in the doctrine of Christ, he hath both the Father and the Son. IF THERE COME ANY UNTO YOU, AND BRING NOT THIS DOCTRINE, RECEIVE HIM NOT INTO YOUR HOUSE, NEITHER BID HIM GOD SPEED. FOR HE THAT BIDDETH HIM GOD SPEED IS A PARTAKER OF HIS EVIL DEEDS (Second Epistle of John 9-11)."

Brotherhood with the Crucifiers? What lunacy! How can we talk of Brotherhood with the killers of Jesus — the children of the devil who go into their temples of evil and curse the murdered Christ, scheme against mankind and recite hateful prayers against Christians?

How can we even consider walking side by side with members of a CRIMINAL SECT whose holy book, the Talmud, teaches that Jesus was the bastard son of the hairdresser Mary, that Jesus was much lower than an ordinary criminal, that all non-Talmudists rank as animals and may be KILLED, ENSLAVED AND CHEATED by the only "humans", the Pharisaeic Talmudists, for whom the world was made to rule?

Brotherhood with fellow Christians is the only kind of Brotherhood for Christians.

Brotherhood with the Pharisees and Satanists IS THE WAY OF THE DEVIL. It is not only un-Christian, it is SUICIDE!

THE CHURCHILL STATUE

English newspapers describe the statue of Winston Churchill which will be unveiled next May in Woodford, the London suburb, as "gorilla like" and "a disgrace."

I think that the sculptor, David McFall, created a statue of Churchill as he really is. I believe that he and his junior partner, Franklin D. Roosevelt, will go down in history as grave diggers of western civilization.

It is incomprehensible to me that millions of Americans look up to Churchill as to their idol, when he is in fact a chief architect of our time of fear and desparation. —L. A. Fritsch.

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. And the end is still a long way off. We still dominate you." Marcus Eli Ravage, Jew, in *Century Magazine*, January-February, 1928.

JUSTICE

Another Christmas season is behind us, and Jewish wholesalers and merchants, their pockets stuffed with cash from brainwashed Christians, are off to their Caribbean retreats. While the Browns and Smiths slave through the cold winter months to pay off their debts, the Rosenbergs and Cohens bask in the warm sunshine.

The duped Christians do all the work, but the bloated Jewish capitalists, financiers, labor union heads, news commentators, promoters, loan sharks, dope peddlers, smut purveyors, "philanthropists" and "intellectuals" take in all the profits. And where do these profits go? Straight to the bastard state of Israel (to finance Israeli aggression), straight to Jewish terrorist organizations (to finance intimidation and persecution of Christians) and straight to Jewish fronts (to finance the undermining of Christian institutions and the Christian Church itself).

When will the Browns and Smiths wake up? When will the Rosenbergs and Cohens be brought to justice for their CRIMES AGAINST HUMANITY?

URBAN RENEWAL

By Mrs. M. Conran

If the Communist program of Urban Renewal is allowed to continue, the day is not far off when no home, church or business property will be safe.

To show you just the kind of persons who are working for the FHA, a colored woman called me on the phone last week and said the representatives of FHA were advising the Negroes to sell their homes to the government and then take the money and buy in white districts. She was indignant and said the "dirty rats are just working to make race trouble." I agreed with her. So we see what is at the bottom of all this solicitous effort on the part of the government to give "cheap rent to the underprivileged."

False reports as to conditions are given to city councils by representatives of FHA in order to get property condemned. This I know, for I went out and looked the location over where FHA intends building 164 housing units here in Phoenix. I found no slums, only plain little homes of working people.

Every loyal American should fight FHA, Public Housing, etc. with all his might. When the government owns the house you live in, it owns you. You will vote as told, do as told, or soon find yourself without shelter.

THE "METRO" FRONT

The Associated Press dispatch of August 28, 1958, announced that President Eisenhower had released one hundred million dollars for use in slum clearance and other "urban renewal projects." Congress had passed no bill authorizing such an expenditure. The money was "provided in past years but never used before."

Tie that together with this information: as soon as Miami's "Metro" government had completed the chore of staffing its Planning and Zoning Departments, the announcement was made that "Metro could get all the money it needed for urban projects" and there would no longer be any need to worry about getting permission from the State Capital, or getting public authorization of specifically-designated bond issues.

The easy way to get money from Uncle Sam (for a domestic give-away, that is; foreign aid is the easiest way of all) is to dream up some "urban renewal" plan. And priority for such give-aways goes to the "Metropolitan Area Government."

Now, one hundred million dollars is big business and it deserves a special agency to administer same. Such an agency could eliminate the State as a "middle man" and Federal could deal with the community directly; knocking out State interference; eventually making State government unnecessary. Thus could the Communist aim of putting all power in one place - Washington, D.C. - be accomplished with the local yokels happily contributing to their own destruction.

So, the newest and most dangerous scheme since the recognition of Soviet Russia in 1933, is a plan to establish a new Presidential Cabinet post to deal directly with Metropolitan areas!

Comment is hardly necessary. We'll simply quote from an Associated Press item datelined Boston, December 2, 1958:

"The growth problems of American cities are big now and they're going to get bigger, mayors and other municipal officials were told Monday at the opening of the 35th annual American Municipal Congress.

"Sen. Joseph S. Clark (D.-Pa.) told the opening meeting of the three day session that the time has come for creation of a new federal department at the cabinet level to help the cities with their massive problems."

There was one sane voice at that "1313" meeting at Boston. Rep. Fountain (D.-N.C.) questioned whether the cities are doing all that is in their power to help themselves. "It is my feeling," he said, "that at times local people ask for help in providing services which they would be unwilling to pay for themselves."

But Hugh R. Pomery, Director of the Westchester County (N.Y.) Planning Commission and past president of the American Institute of Planners, indicates that it makes little or no difference what the local people want, anyway, once the "Planners" get full control. Speaking to the Pennsylvania Planning Conference on Nov. 5, Pomery said: "It is no longer possible, in the public interest, to indulge in the wasteful, destructive luxury of leaving the proper regulation of land development to the option of local jurisdictions. . . . There is no longer room for any vacuums in the pattern of proper regulation of land development in our exploding metropolitan areas . . . the suburban communities seeking to 'go it alone' will be 'outflanked by what they seek to protect themselves against,' he warned. Suburban communities (that don't properly plan for themselves) should have mandatory planning done for them . . ."

The plan is clear: on the plea of expanding populations, inadequate roads and sewers, slums and need for urban renewal, the federal government will step in and its Planners will take control of the metropolitan areas, divorcing them from the need for either State or local control, and all governmental power will slowly but surely be transferred to and centralized in Washington, D.C.

The push for centralization is on. In the coming months the trained seals of press, radio and TV will be inventing new names, slogans, semantic syllogisms to make city dwellers believe that the hierarchy of Planners can do things for them which they cannot do as well for themselves.

Congressman Dowdy's warning should make all patriots beware of a "cabinet post to care for cities": "Communism must, as a prerequisite for success and its conquest, pull all powers of the government into one place — Washington, D.C."

AIR FORCE OFFERS \$1 MILLION FOR ARKANSAS WHITE SCHOOL

The Air Force offered to pay \$1 million for an elementary school building near its huge Little Rock base so that the six-year-old daughter of a Negro enlisted man could attend an integrated school in Arkansas, JET learned.

The school is the Little Rock Air Force Elementary Building, which is about 20 miles from the city and operated by the Pulaski County School Board. For two months Board authorities have refused to enroll six-year-old Algerita, daughter of T/Sgt. James R. Dallas.

Pentagon aides admitted that the Air Force tried to buy the building, but said that the Board turned the proposal down before any figures were mentioned. They considered the million-dollar figure "exorbitant" since the building was constructed on loans totalling about \$600,000 from government "impacted area" funds. One official said that he visited the base and discussed the matter with Board members but found them unwilling to negotiate. —JET.

It is noted that the Washington Field Office by airtel dated 7-17-50 furnished your office with certain literature published by Christian Patriots Crusade including a throwaway captioned "Death To The Traitors! It Is Time For Old-Fashioned American Justice." Beneath the caption there is pictured a man hanging from a tree apparently the victim of a lynch mob. It would appear that this propaganda both advocates and tends to incite violence. For this reason this case is to be immediately reopened in your office and is to receive vigorous investigative attention for the purpose of determining the extent to which the subjects have disseminated such material. Investigation should include a review of the files of the Anti-Defamation League and contacts with the Postal Inspector and the U. S. Attorney for any pertinent material they may have. Submit a comprehensive report by 3-20-59 setting forth the results of investigation and describing in detail the literature and activities which advocate, condone or tend to incite violence for the purpose of denying others their constitutional rights. Any pertinent material which cannot be adequately described in narrative form should be submitted as enclosures to the report. Two sets of such enclosures should be furnished to the Bureau.

We hope that you will not forget THE REVERE during these difficult summer months of July and August. We are counting on our friends to provide us with the means to wage a vigorous and creditable campaign during this crucial period just preceding the September renewal of the Integration Wars. Fortunate in having a number of young and dedicated Patriots working with us, we are ready and most anxious to put up a good fight, if only we can muster enough support to meet our modest budget.

We call your special attention to our two new leaflets, "Death to the Traitors" and "Save the White Race", enclosed with this mailing. We feel they should be given the widest possible circulation. They can effectively be posted on bulletin boards and store windows and placed in streetcars, trains, and stations, etc. They are also suitable for enclosing with your correspondence.

With best wishes and kindest regards, I am,

Faithfully,

COMMUNISTS PLOT TO AFRICANIZE WHITE FOLK

The current calypso craze in the United States is the latest step in the Communist conspiracy to Africanize the American white folk. Although a little more restrained than "rock and roll" and other forms of African "pulse-pounding music," this recent addition to the American scene is designed to further destroy racial integrity and self-respect among white people, especially the nation's impressionable white youth.

The Communist press openly admits that the U. S. Reds are behind this Africanization scheme. One Communist tract states: "The Supreme Court is not our only weapon for breaking down racial barriers. Through sensuously stimulating rhythms derived from Negro music, we are able to bring together the white and colored young people. Step by step we shall make them equal -- and then as one."

The following revealing excerpts are from an article titled "Bongo Party" which appeared in the March, 1957 issue of "Ebony," a Negro magazine:

"Beating savagely on their drums, dancing wild native capers and shouting African jungle chants, the Afro-Californians drive listeners to wild, hysterical antics. At one recent party, a well-known movie siren worked herself into such a frenzy that she passed out. . . . 'Everybody feels free to mingle with each other. I figure it's because bongo music makes for a relaxed atmosphere. Nobody has trouble getting along with the other guy, if everybody's relaxed.'"

America for white folk -- Africa for Africans! Let's keep African jungle music out of our America!

JEW RELIGION EXPOSED

FROM THE "TALMUD" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RABBIS IN THE SYNAGOGUES, WE FIND THAT JESUS IS REFERRED TO AS:

an *Am-haaretz*, or ignorant clod, a fool, liar, deceiver, the bastard son of a harlot, who set up His churches as whorehouses with harlots inside to get male customers drunk until they disrobe and worship the "IDOL" Jesus as in Baal sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught: He is sunken in "dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down His pried-open mouth to burn the intestines; He is decapitated; He is stoned to death; He is crucified as a "blasphemer" of this religion of Pharisaism. Christians rank far below prostitutes, with whom they are standardly compared. All are consigned to hell where "boiling excrement" is their punishment and "boiling semen" is Christ's. Mocking the Bible is no sin but mocking the Talmud "Sages" is the crime of crimes for which the above punishments are given. The "Sages" reverse every Biblical teaching. One may curse parents and beat them to the point of drawing blood when alive, but the sky is the limit when they are dead; a grown man may always rape or commit sodomy with a baby girl under three years old and may commit sodomy with little boys under "nine years and one day" and with a "terefah" (chronically sick person), a dead body or with a neighbor's wife. The basic doctrine of Pharisaic Judaism is that all non-Talmudists rank as non-humans, "the people that are like an ass—slaves who are considered the property of the master" (the human being or Talmudist). The non-Talmudist has no rights under any legal code whatsoever. The "Lord" will never forgive anyone who returns a lost article to a non-Talmudist UNLESS not returning it will jeopardize Jewry in general and expose the Jewish religion for the code of anti-human criminality that it is—THEN it is a crime not to return it. To try to kill a non-Jew is so meritorious that if in the effort to do this a Jew is killed, there is no penalty.

If a woman's lightest sin be that incestuous relations with an older son resulted in a younger son, her heaviest sin must then be "minuth" or Christianity. Even talking to a Christian is likened by the "Sages" to visiting a harlot's house. Murder, robbery, rape, deception of non-Jews, rank only as the meritorious acts of a human being who owns the chickens, cows and asses of creation for his own use. Every Talmudic authority boasts that Marxism was invented and has been led by "them which say they are Jews."

COMMUNISM-SOCIALISM is only the Talmudic code in action. It is sadistically ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line thru all the centuries from the PHARISEES. Nor is it any accident that the Divine Savior warned in the flesh and from the Spirit that the Pharisees were of the Devil (John 8:37-44; Luke 11; Matt. 23; Rev. 2:9; 3:9) saying "I know the blasphemy of them which say they are Jews and are not but do lie and are of the synagogue of Satan" (Rev. 2:9; 3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him:

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass land and sea to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY

permits burning children to Molech, did not gain mastery over Judaism until the Sadducees, sticklers for Scripture and against Pharisaic "Tradition" which nullifies the Bible, were overwhelmed after the Bible believing Jews accepted Christ and left the synagogue. Pharisees then took over and completely remodeled "Judaism" on abominator lines. (Matt. 23:31).

JEWS ADMIT IT WAS A JEWS WAR!

The Jews themselves make no secret of the fact that the recent war was a Jewish one in its entirety. Consider these statements by Jews on it. The Jew Scholem Asch in a pep talk to French troops in the line, (written in the French newspaper *Les Nouvelles Litteraires* of February 10th, 1940), says "This is our war, and you are fighting it out for all of us. Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you."

The Rabbi Reichhorn wrote on July 1st, 1880, in the periodical *Le Contemporain*, "We shall drive the Christians into wars by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The Jew Marcus Eli Ravage wrote in the periodical *The Century Magazine* of January, 1928, "We have stood at the back of, not only the last war, but all your wars; and not only the Russian, but of all your revolutions worthy of mention in your history."

The Jew Valadimir Jabotinsky, leading Zionist, wrote in his book "Die Fudische Kriegsfront", 1940: "When the National Socialists and their friends cry or whisper that this is brought about by the Jews, they are perfectly right."

The Jewish magazine *The Sentinel* of Chicago wrote in its issue of October 8th, 1942 as follows: "The second World War is being fought for the defense of the fundamentals of Judaism."

FROM THE PROTOCOLS OF THE LEARNED ELDERS OF ZION (JEW CONSPIRACY FOR WORLD CONQUEST)

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur: (agents and agencies made use of by the Jews) which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rule the relations of their subjects among themselves.—(Protocol No. 2).

Non-Jew, this is the truth that will make you free and can be proven in any OPEN American court. Copy it, scatter it. Organize, secretly, now, to beat these "Children of the Devil," at their own game. Fear not, God is with you in the spirit of our Lord Jesus, a Judean, but not a Jew. Your legal authority is in the 10th article of your country's constitution.

JEWS AND YOU

JEWS RULE THE WORLD IN SECRET. THIS IS THEIR YEAR 5717. BERNARD M. BARUCH IS THE PRESENT JEW KING. THEY REFER TO ALL NON-JEWS AS CATTLE (GOYIM). FOLLOWING ARE EXCERPTS FROM THE "TALMUD," JEW HOLY BOOK, EQUIVALENT TO OUR BIBLE, TAUGHT FROM BY THE RABBIS IN THE SYNAGOGUES.

"YOU ARE HUMAN BEINGS, BUT THE NATIONS OF THE WORLD ARE NOT HUMAN BEINGS BUT BEASTS."—Baba Mezia 114, 6.

"ON THE HOUSE OF THE GOY (NON-JEW) ONE LOOKS AS ON THE FOLD OF CATTLE."—Tosefta Erubin VII, 1.

Gems From The Talmud

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOYCOTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: 'The BEST of the Gentiles—KILL'."

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Szulchan Aruch, Choszen Hamiszpat, 268, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz., Ar., Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1916: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

THE COMPLETE EXPOSURE OF THE JEW

WHY JEWS ARE PERSECUTED FOR THEIR RELIGION:

"A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."—Schul. Aruch, Jore D.

"If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."—Tosefta, Aboda Zara 8:5.

"It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he has denounced."—Schulchan Aruch, Choszen Hamiszpat, 338.

"A Jewish mid-wife is not only permitted, but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—Schul. Aruch, Orach Chaims, 539.

"A Jew may misuse the non-Jewess in her state of unbelief."—Maimonides, Jak. Chasaka 2:2.

"A Jew may violate but not marry a non-Jewish girl."—Gad. Shas. 2:2.

"A Gentile girl who is three years old can be violated."—Aboda Shara 37a.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—Nadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.—(Protocol No. 4).

To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that GREEDY DEMAND FOR LUXURY which is swallowing up everything. We shall raise the rate of wages which, however, will not bring any advantage to workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.—(Protocol 6).

We will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.—(Protocol No. 9). (i.e., U.N.).

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false, although it is by us that they have been inculcated.—(Protocol No. 9).

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.—(Prot. 15)

Economic crises have been produced by us for the GOYIM by no other means than the WITHDRAWAL OF MONEY FROM CIRCULATION. . . . You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.—(Protocol No. 20).

THE CHICAGO JUNGLE

THE JUNGLE BEAST THAT WALKS LIKE A MAN
AND KILLS LIKE A BEAST

CHICAGO MAN BEHEADS LOVER; BY ALEX POINSETT

From his Chicago jail cell last week, 24-year-old laborer Marshall Abraham seemed totally unconcerned over the grim fact that he had hacked off his girl friend's head with a hunting knife—only disturbed over reports that news stories had given inaccurate details of his grisly crime. Newspapers said he had cut off the head of Anna L. Jones, then buried it four blocks before finally depositing it in a trash can. "But that wasn't true," complained the unemployed construction worker. "I was misrepresented. I didn't carry her head no four blocks like they said. It was six." Then he turned in quick succession the streets along the six block route of his post-execution journey.

For a six man whose own days now seemed certain Abraham was not at all reluctant to discuss his version of the crime in the courtroom of the Cook County jail house, Chicago. "I killed her," he said, "because I promised her I would. She had squandered money, he said, which he had given her periodically in amounts varying from \$20 to \$25 since their first meeting last June in a tavern. She had, at times, visited him in his apartment, he added, but would not agree to live with him because she feared loss of public charity checks which she received for support of her three children. On the night of the slaying it was an argument over the money that led to the grisly execution. In fact, as Abraham explained it, Miss Jones had teased him about it, as well as boastfully taunting him about her romantic excursions with other men.

"I don't play that," he said indig-nantly, the taunt jealousy rising within him. And apparently he

Marshall Abraham

REMAINS UNMOVED BY SLAYING

was not in a playing mood either when he rapped on Miss Jones' apartment door about 11 p.m. on Easter eve. She was at home with a son, James, 11, and a daughter, Ethel, 9 (another son, Charles, 10, was visiting an aunt). It was James who heard Abraham order his mother to leave with him. "But I've got to stay with my kids," she argued.

Abraham left alone. He went home, doffed his white sport coat and cream-colored trousers, and slipped on a pair of old blue jeans and a sweat shirt—the kind of clothes he wore when he went to work. This time his only work tool was a well-sharpened Sears-Roebuck hunting knife.

In a short while he returned to Miss Jones' apartment and broke down the door when she would not admit him. He faced her, he said, knife in hand. "I told you I was gonna kill you," he said angrily, then lunged at her.

"I grabbed the back of his shirt," recalled young James, "and tried to pull him back. Then he hit me and Ethel with the knife, too. But we ran too fast for him." Miss Jones was not so fortunate. Abraham, who admitted that he had fortified himself with six drinks of whiskey before his visit, said she swung at him with an iron bar. "She didn't trip over a curb like the newspapers said," he explained. "I knocked her down. Then I stabbed her a bunch of times here and there (he pointed to his shoulder blades). Then I cut her head off."

One witness, who preferred to remain unnamed, thought she was having a terrible nightmare, when, from her living room window she saw Abraham straddle Miss Jones, penduluming her in the back.

"I thought he was biting her with his fangs," she said. "It was dark and you couldn't tell. Then I phoned police. When I looked through the window again, it looked like he was struggling to pull up something. He got it free in about five minutes. I could see then it was the woman's head. I couldn't stand to look anymore."

What happened after that on Abraham's six-block trek

through the neighborhood with his girl friend's head tucked under his arm remained for other witnesses to tell. About 1 a.m. he stopped at a tavern, took off his shirt and jacket, Abraham stayed at a tavern, laid aside the head for a moment just outside the door, then walked in, lit a cigarette and ordered a glass of beer.

"I served him right away," recalled bartender Romero Bernt. "Then some woman asked him 'how come you so bloody?' The guy says, 'I just cut off your girl friend's head. You wanna see?' She didn't believe him, so he took her outside and lifted the thing off the sidewalk. She nearly fainted."

From there Abraham went on his way, found a trash can, stuck the head in and headed for home. But he had forgotten to leave his bloody sweat shirt and knife. When he returned a short while later, police were already on the scene. They scrutinized him, asked him casually if he had killed the woman. "Yeah, I killed her," Abraham admitted.

"What were you going to do if we hadn't arrested you?" police wanted to know.

Abraham shrugged. "Go home. Take a bath, change clothes and get some sleep, I guess."

Does he regret committing the crime? "I'll be frank," he reflected in jail. "I did it, but it was no special thought." Then he added that he had been declared sane and charged with murder, he summed it up thusly: "Murder is murder. I guess I'll die if I have to."

The above photographic reproductions are from the Negro magazine, "Jet." This heinous crime which was committed right in the streets of Chicago's famous "Loop" was given no publicity in the Negro-catering newspapers of that corruption-ridden city.

The guilt for this crime cannot be placed entirely upon the shoulders of the killer. After all, the Negro is an emotional, amoral, semi-primitive. In the dark jungles from which he comes, when one Negro becomes angry with another he simply goes into his enemy's village, seeks him out, chops off his head, and shrinks it. We must not forget that the Negroes of America are not far removed from that state. To the Negro, the only solution to a problem is the solution of the savage.

And these are the type of people that the de-segregationists want to mix with little white children in the schools; the people who should be our social equals; the people who should be allowed to move into respectable, crime-free white neighborhoods and communities.

The NEGRO

(Africanus)

The Negro's head shows the archaic form. The front of the Negro's skull is much smaller than the white man's thus giving the Negro less room for the higher faculties, such as affection, self control, will power, reason, judgement, apperception, orientation and a feeling for the relationship of personality to environment.

Formation determines the amount of intelligence that will be reflected just as the size and shape of a glass pitcher determines the size and shape of the water in it. If this were not so there would be no law governing intelligence and one organism would reflect as much mind as another regardless of its construction.

The Negro's whole skull capacity is much undersize so that the black brain weighs 35 ounces as against 45 ounces for the Caucasian brain.

In the Negro the cranial bones are very thick and the cranial sutures unite early in life. This checks the development of the brain and explains the sudden stunting of the Negro intellect shortly before puberty.

The Negro's hair is flat and without a cortex, core or duct. It is not a true human hair but resembles the wool of the lower animals and it can be felted.

The Negro's eyeball is tinged with yellow as is the ape's. The jaws protrude so that the facial angle of the Negro is 70 degrees as in the ape. The white man's facial angle is 82.

The Negro's nose is concave at the bridge as is the ape's. The nostrils turn up and show the red inner lining. The lips are everted and show the red mucous membrane.

In the white man the alveolar arch and palatine area of the mouth became shortened and widened and the tongue became shortened and more horizontally flattened which allows for greater refinement in pronunciation while the Negro palate and tongue remained ape like (macrodont) and he is unable to pronounce sibilant sounds. Sibilant sounds are unknown in Negro dialect.

The Negro carries stench glands as does the dog and in his natural state these may serve as a means of identification in place of a name. This stench (from extra sweat glands) is partly under control and is put out when the Negro is excited.

FBI "GESTAPO TACTICS" ASSAILED

Little Rock's Dr. Dale Alford, the write-in segregationist candidate who whipped veteran congressman Brooks Hays, an ardent race-mixer and modernist preacher, in last November's general elections, has incurred the wrath of the Jews and their pint-sized Mikoyan, Attorney General William Rogers. As a result, Rogers has once again dispatched a plague of FBI terrorists into Little Rock, this time to "uncover" "evidence" that Dr. Alford was not "legally" elected.

Dr. Alford has publicly assailed the FBI for employing "gestapo tactics". He has charged that FBI agents have illegally invaded his district and are engaged in quizzing and intimidating election officials and his friends.

Dr. Alford commented that the current "investigation" by the FBI is similar to one it conducted a year ago.

"Little more than a year ago, they (the FBI) swarmed into the district by the dozens -- yes, by the scores under direction of the Justice Department -- in an effort to justify an equally as unwarranted and illegal use of Federal police powers in a matter reserved to the discretion of the States. Then, as now, they sought information on only one side of the issue -- they sought only evidence that would support the politically inspired action of the Department of Justice -- yes, even the politically inspired action of the executive department of our Government. Then, as now, the Federal police powers were diverted from their intended purpose -- to a scheme that borders on being nefarious.

"They interrogated hundreds of people. Guns in shoulder holsters, they came in teams into the newspaper offices to question reporters -- to demand access to private files -- and they asked questions on only one side of the issue. They sought out newspaper reporters in their homes -- invading their privacy -- and when all else failed, they attempted to wheedle out hearsay information that might support the political position that had been dictated from above.

"I SAY THIS IS AN UNHEALTHY SITUATION IN AMERICA

"THERE IS NO ROOM IN AMERICA FOR A POLICE STATE -- A GESTAPO, IF YOU PLEASE -- engaged in the political sources of those who are presently, although temporarily, in power. And I say that, if this condition is permitted to continue, then the name of the Department of Justice should be changed -- for it is a misnomer."

On the subject of his election, Dr. Alford told the House of Representatives

"I welcome an investigation, but it is my feeling that the FBI has no place in questioning residents of the Fifth Congressional District of Arkansas on the circumstances surrounding the selection of their Representative in this Congress. I repeat, that is a matter reserved exclusively to the Members of this House."

THE REVERE applauds Dr. Alford for standing up to the FBI. It is about time that the American people knew of the underhanded and unscrupulous activities of Rogers and his arrogant bullies, also of the alliance between the FBI and the Anti-Defamation League of B'nai B'rith, the notorious Jewish secret police and espionage organization.

JEWISH POWER IN GERMANY

Those poor Germans. The Jewish vampires are really at their throats.

Jews, Jews, Jews, -- Jews everywhere, just like in the United States, only worse, in many respects, is perhaps the best way of describing conditions there.

In Germany today it is a crime to make "anti-Jewish" remarks in public. University professors and others have been arrested and even imprisoned for making statements critical of Jews or Jewish policies. A great many German citizens have been forced to flee their country to avoid persecution on such charges.

The case of Karl Meissner is typical. A complaint was filed against Meissner last year by the

Society for Christians and Jews, the German counterpart of America's National Conference of Christians and Jews, charging him with "defaming the Jews" in a speech in which he declared that "Brotherhood Week" should be considered a "week of repulsiveness". Last September, the Munich District Court acquitted Meissner, ruling that his remarks were not slanderous to the "Jewish people". Recently, however, the FEDERAL SUPREME COURT reversed the acquittal and ordered a retrial (Shades of our own Jewish-controlled Supreme Court!)

The "American" Jewish press has been gleefully reporting these incidents to its Kosher subscribers. Hardly a week goes by without the mention of an arrest of a "bigot".

But there are signs of a new awakening in Germany. Just a short while ago the German paper, DIE WELT, admitted that "anti-Semitism" had again become a "problem" of "painful" actuality and pointed to a public opinion poll in which 88% of those questioned refused even to discuss their opinion of the "Jewish question" — another in which "a third came clearly out in favor of the old anti-Semitic concepts".

If it weren't for their preoccupation with the division of their country, a situation brought about by the Jews, it is likely that the Germans would be taking steps in the direction of solving the "Jewish question" in Germany.

WHAT DO YOU THINK?

By Mrs. M. Conan

Too bad those who are pushing Communist programs such as Urban Renewal, Slum Clearance and Public Housing couldn't have been in the County Courthouse on January 20, 1959, and heard the sobs of the owners who are being forced to give up their homes on 17th and 18th Streets, south of Adams, in Phoenix, Arizona, where the government wants to put up 164 housing units.

Communism is taking over. No more private ownership. We will all be slaves, live where we are put, vote as told, do as told, or else.

How to stop this usurpation of property. Every citizen who has any concern for our future must vigorously fight against all these communistic programs. The time to fight IS NOW!

All Christians should demand that this robbery of homes by the government be stopped immediately.

"ROCKIN' - ROLLIN' PARSON"

We have come across an interesting article in the March 8, 1959, issue of PARADE, a Sunday newspaper magazine supplement. It is titled "Rockin' -- Rollin' Parson".

Dated Downley, England, this article reports the story of the Rev. Cavell Northam, who sings "rock-'n'-roll" songs in taverns.

Captions under two of the pictures in the article are noteworthy of mention. "Leading song, the Rev. Cavell Northam belts out 'Don't You Rock Me Daddy-O' on guitar as tavern flock joins in the chorus", and "Heading home, the Rev. Northam carries guitar at left-shoulder arms after evening of song in local tavern. He also writes rock-'n'-roll tunes, drinks beer with flock".

The article goes on to explain that Rev. Northam took up African music to become popular with his fellow townspeople and build up church attendance (Yes, you read correctly. Fantastic, isn't it?).

The PARADE article is not as extreme as example of the degradation of Christianity as one might conclude at first glance. Things almost as bad, and worse, are going on all over the nation. In fact, the same article reports that a similar movement to the one in England is afoot in the U.S. BOTH Protestant and Catholic clergymen are involved.

No wonder church attendance is up. It will be up even more when they open bars and install jukeboxes and cigarette vending machines in the church foyers.

The Satanists must be very pleased. All this promotion of "rock-'n'-roll", jazz and liquor is the work of the children of the devil. Of course, the Jews control all of these industries.

JEWS FEAR DEBATES

The January 29, 1959, issue of the (Jewish) AMERICAN EXAMINER contains the following rather curious admonition

"Although hate-literature distribution reached an all-time high in the US last year, according to a report by the American Jewish Committee, Jewish organizations ought not to try to refute the bigots' arguments

"Ralph I. Samuel, chairman of the Committee's national executive board, stressed that such efforts are futile, since most professional hate-mongers cannot be convinced of the error of their ways by truth or logic -- and to engage them in 'debates' merely serves to publicize their propaganda."

Here we have a typical example of Jewish diversionary double talk

Anybody who knows anything at all about the subject of debating knows that the purpose of a public debate of the kind to which Mr. Samuel refers IS NOT for one debater to convert the other

Rather, the purpose of such a public debate is to enlighten, to provide the uninformed or undecided third party or parties with both sides of an issue

Of course, the Jews are afraid to have both sides of the Jewish question aired in public. They know all too well what the outcome would be. Their own bible, THE TALMUD, warns them: "If the goyim knew what we teach about them they would kill us openly." That is the reason why there is a tight censorship of the press, radio and tv. THE TRUTH IS POISON TO THE JEWS AND THEIR STOOGES

JEWISH CONQUEST OF ENGLAND

Between the expulsion of the Jews in 1290 and their formal return in 1665 there is no official trace of Jews on English soil. Notwithstanding, a certain number of them appear to have come back, for complaints were made to the king in 1376 that some of those TRADING as Lombards were JEWS. Toward the middle of the seventeenth century a considerable number of Marano (secret Jews) MERCHANTS settled in London and formed there a secret congregation. Their position enabled them to give Cromwell important information as to the plans of both Charles Stewart in Holland and of the Spaniards in the New World. Outwardly they passed as Spaniards and Catholics, but they held prayer-meetings at Cree Church Lane, and became known to the Government as Jews by faith

Meanwhile PUBLIC OPINION in England had been prepared BY THE PURITAN MOVEMENT for a SYMPATHETIC treatment of any proposal by the Judaizing sects among the extremists of the Parliamentary party for the READMISSION OF THE JEWS into England

Meanwhile the commercial policy which led to the Navigation Act in Oct., 1651, made Cromwell desirous of attracting the rich Jews of Amsterdam to London so they might transfer their important TRADE interests with the Spanish Main from Holland to England. (Rabbi) Manasseh ben Israel sent his brother-in-law to London to present to the council a petition for the READMISSION OF JEWS.

The council, however, REPLIED TO ACT. Cromwell therefore induced Manasseh himself to come over to London, which he did at the end of Sept., 1655. As a consequence a national conference was summoned at Whitehall in the early

part of December Cromwell STOPPED the discussion in order TO PREVENT an adverse decision. As a final result, Cromwell appears to have given INFORMAL PERMISSION to the Jews to reside and TRADE in England. Solomon Dormido, a nephew of Manasseh ben Israel, was admitted to the Royal Exchange as a duly licensed BROKER of the city of London WITHOUT TAKING THE USUAL OATHS INVOLVING THE FAITH OF CHRISTIANITY

This somewhat surreptitious method of solving the Jewish question in England had the advantage of not raising anti-Semitic feelings too strongly, and it likewise enabled Charles II, on his return, to avoid taking any action on the petition of the merchants of London asking him to REVOKE Cromwell's concession. The king in council assured the Jews of the continuance of former favor — The Jewish Encyclopedia, under "England"

BRIEFS

• TIME magazine reports that when Gov Orval Faubus spoke recently at a patriotic rally in Houston, Texas, he was heckled by a Jew, Daniel Rosenstein, M.D. The audience tossed the Jew out of the hall.

• The Arkansas House of Representatives has forced the withdrawal of a bill aimed at repealing a state law against the teaching of Charles Darwin's theories on evolution.

• Who has been persecuting white Alabamians, including patriotic Judge Wallace? Yes, you guessed it, another Jew, named A H Rosenfeld, head of the Civil Rights Commission's Complaint Department — THE THUNDERBOLT.

• To the question "Why do liberals attack the South?", Richard M Weaver, writing in NATIONAL REVIEW, comments: "Because its order, based on custom, history and a common faith, challenges their own hollow nihilism."

• Dr Amon Nikoi, UN delegate from Ghana, on the relationship between American Negroes and Africans "You Negroes here in America are regarded by us at home as just being in temporary exile."

• If and when John Foster Dulles is forced to resign his post, Under Secretary of State "C. Douglas Dillon" will be one of the candidates for the job. Dillon's real name is not Dillon. He is a Jew.

GET BUSY AND FIGHT

Aren't your Christian, National and Racial heritages worth something to you? Doesn't it bother you to see our beautiful America being destroyed from within? Are you willing to stand by and let America become a slave state, a satellite of Israel, with the Jews as absolute rulers?

You, YES YOU, EVERY ONE OF YOU, can do something to save America. You can begin by organizing in your own community. We can't go anywhere or do anything unless we are organized at the "grass roots" level.

Start out in a small way. Form a tightly-knit "LIBERATION UNIT". Recruit one or two friends, preferably ones who have at least a general understanding of what is going on in the country. Educate them. Hold regular meetings in the homes of members of your unit.

Pool your funds. Forget the Jewish racket charities. Subscribe to patriotic publications. Purchase educational books. Order quantities of literature.

Blanket your town and adjacent area with literature. LEAVE IT EVERYWHERE YOU GO. Paste it on the walls of buildings and on store windows. Insert it in library books. Leave it in railway terminals at night.

Just a few people can stir up a real storm. The more active you become, the more interest you will create. Most people aren't thinking, one way or the other. You can start them thinking.

Above all, don't let anything discourage your efforts. Even if your unit is limited to just one other person, KEEP ACTIVE WORK DAY AND NIGHT. Numbers aren't necessarily important. Victories are often built on defeats. UNITE! WORK! INFILTRATE!

You can be a part of this growing liberation movement. Put your mind to it. THEN, GET BUSY AND FIGHT!

AFTERMATH OF A SYNAGOGUE BOMBING

The Jews certainly are profiting handsomely from the October 14, 1958, Atlanta synagogue bombing. They are exploiting it for everything it is worth, as the Jews are so often inclined to do with everything.

BOMBING THEME HELPS B'NAI B'RITH RETAIN MEMBERS

The Jewish press has been abounding with articles providing observers with examples of the many ways in which Jewish leaders have used the bombing to whip Jewish stragglers into line and drum up additional funds for the Anti-Defamation League (ADL) and other Jewish race-mixing, espionage and terrorist outfits.

A typically revealing case comes from the December 26, 1958, issue of THE NATIONAL JEWISH POST AND OPINION.

"CINCINNATI, O-B'nai B'rith has used the Atlanta synagogue bombing and resultant newspaper publicity to good advantage in furthering the efforts of membership and retention workers the B'nai B'rith district grand lodge No 2 bulletin reported this month

"THE BULLETIN edited by Max Kohnkopf, noted that the newspaper publicity 'gave considerable information relative to background material, particularly the part that B'nai B'rith played in the apprehension of the five suspects in the bombing.'

"Reference to the bombings was made in an article describing 'the most intensive membership campaign in the history of the order'.

"THE BULLETIN added that all district 2 lodge presidents, retention chairmen and financial secretaries have received flyers 'showing reprints of newspaper publicity on the bombing, in efforts to get delinquent members to pay their dues.'

"Quite a few lodges used this material with gratifying results," the bulletin said."

SOMBING BRIEFS

* Christian leaders and politicians, from Eisenhower on down, in bemoaning the dynamiting of the (Atlanta) synagogue in which no one was injured, make no reference to the 3,000 churches destroyed in Germany during the Second World War, or the 287 churches and temples destroyed by a single Hell Bomb at Hiroshima, Japan. In most cases, these churches in Germany and Japan were filled with worshippers, helpless women and children, refugees from the terror unleashed against them by Jewish politicians in the United States and Germany. —Fustace Mullings

• The Jews have amassed contributions surpassing 250 times the amount actually needed to repair the synagogue damage. Five Atlanta patriots have been subjected to Gestapo treatment by the Jewish-controlled Atlanta police and the FBI. Hundreds of patriots all across the nation have been harassed, questioned and intimidated by FBI and ADL agents. Tremendous pressure is being exerted upon members of the new Congress to enact legislation restricting Freedom of the Press and banning patriotic publications from the mail. All this and more as the result of an insignificant bombing obviously engineered in one way or another by Communist Jews.

• No rational patriot could have been responsible for the Atlanta synagogue bombing. The building is not particularly guilty of any crime. After all, convicted murderers are put to death. The pool rooms and bars where they plan their crimes are not blown up.

* Few Americans know about the agreement made by the Anti-Defamation League and the FBI in 1938, in which they agreed to have access to

105-53447-32

each other's files, or that FBI agents, when reporting on an investigation which involves Jewish interests, send a carbon copy of their report to the ADL headquarters in New York, for which they receive \$100, a sum which is not reported on their income tax. Some FBI agents receive as much as \$600. a month extra for sending these reports to the ADL. J. Edgar Hoover's recent book, "Masters of Deceit", was largely written for him in the ADL offices in New York, for favors received. —Eustace Mullins

* The Atlanta police must answer why they railroaded (George) Bright's star witness to the insane asylum so that she could not testify in his behalf. —RIGHT

BROTHERHOOD WITH THE CRUCIFIERS?

In February, the curse of Brotherhood Week will once again be upon us. Sponsored by the Jewish-inspired, financed and controlled National Conference of Christians and Jews, Brotherhood Week is promoted by the ENEMIES OF CHRIST for the sinister purpose of DUPING MILLIONS OF UNSUSPECTING AND BRAINWASHED CHRISTIANS INTO ACCEPTING INTO THEIR MIDST THE VERY HELL-INSPIRED CONSPIRATORS WHO ARE PLOTTING THE DOWNFALI AND ANNIHILATION OF CHRISTENDOM.

"Be ye not unequally yoked together with unbelievers, for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? (II Cor. 6:14)"

"Whosoever transgresseth, and abideth not in the doctrine of Christ, HATH NOT GOD. He that abideth in the doctrine of Christ, he hath both the Father and the Son. IF THERE COME ANY UNTO YOU, AND BRING NOT THIS DOCTRINE, RECEIVE HIM NOT INTO YOUR HOUSE, NEITHER BID HIM GOD SPEED FOR HE THAT BIDDETH HIM GOD SPEED IS A PARTAKER OF HIS EVIL DEEDS (Second Epistle of John 9-11)"

Brotherhood with the Crucifiers? What lunacy! How can we talk of Brotherhood with the killers of Jesus — the children of the devil who go into their temples of evil and curse the murdered Christ, scheme against mankind and recite hateful prayers against Christians?

How can we even consider walking side by side with members of a CRIMINAL SECT whose holy book the Talmud, teaches that Jesus was the bastard son of the hairdresser Mary, that Jesus was much lower than an ordinary criminal, that all non-Talmudists rank as animals and may be KILLED, ENSLAVED AND CHEATED by the only "humans" the Pharisaic Talmudists, for whom the world was made to rule?

Brotherhood with fellow Christians is the only kind of Brotherhood for Christians

Brotherhood with the Pharisees and Satanists IS THE WAY OF THE DEVIL. It is not only un-Christian, it is SUICIDE!

THE CHURCHILL STATUE

English newspapers describe the statue of Winston Churchill which will be unveiled next May in Woodford, the London suburb, as "gorilla like" and "a disgrace."

I think that the sculptor, David McFall, created a statue of Churchill as he really is. I believe that he and his junior partner, Franklin D. Roosevelt, will go down in history as grave diggers of western civilization

It is incomprehensible to me that millions of Americans look up to Churchill as to their idol, when he is in fact a chief architect of our time of fear and desparation. —L. A. Fritsch

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. And the end is still a long way off. We still dominate you." Marcus Eli Ravage, Jew, in *Century Magazine*, January-February, 1928

* Non-white births in Chicago increased 110.4 per cent during the last 10 years while the white births decreased 1.1 per cent, according to the Welfare Council of Metropolitan Chicago.

JUSTICE

Another Christmas season is behind us, and Jewish wholesalers and merchants, their pockets stuffed with cash from brainwashed Christians, are off to their Caribbean retreats. While the Browns and Smiths slave through the cold winter months to pay off their debts, the Rosenbergs and Cohens bask in the warm sunshine.

The duped Christians do all the work, but the bloated Jewish capitalists, financiers, labor union heads, news commentators, promoters, loan sharks, dope peddlers, smut purveyors, "philanthropists" and "intellectuals" take in all the profits. And where do these profits go? Straight to the bastard state of Israel (to finance Israeli aggression) straight to Jewish terrorist organizations (to finance intimidation and persecution of Christians) and straight to Jewish fronts (to finance the undermining of Christian institutions and the Christian Church itself).

When will the Browns and Smiths wake up? When will the Rosenbergs and Cohens be brought to justice for their CRIMES AGAINST HUMANITY?

URBAN RENEWAL

By Mrs. M. Conan

If the Communist program of Urban Renewal is allowed to continue, the day is not far off when no home, church or business property will be safe.

To show you just the kind of persons who are working for the FHA, a colored woman called me on the phone last week and said the representatives of FHA were advising the Negroes to sell their homes to the government and then take the money and buy in white districts. She was indignant and said the "dirty rats are just working to make race trouble." I agreed with her. So we see what is at the bottom of all this vicious effort on the part of the government to give "cheap rent to the underprivileged."

False reports as to conditions are given to city councils by representatives of FHA in order to get property condemned. This I know, for I went out and looked the location over where FHA intends building 164 housing units here in Phoenix. I found no slums, only plain little homes of working people.

Every loyal American should fight FHA, Public Housing, etc. with all his might. When the government owns the house you live in, it owns you. You will vote as told, do as told or soon find yourself without shelter.

THE "METRO" FRONT

The Associated Press dispatch of August 28, 1958 announced that President Eisenhower had released one hundred million dollars for use in slum clearance and other "urban renewal projects." Congress had passed no bill authorizing such an expenditure. The money was "provided in past years but never used before."

Tie that together with this information as soon as Miami's "Metro" government had completed the chore of staffing its Planning and Zoning Departments, the announcement was made that "Metro could get all the money it needed for urban projects" and there would no longer be any need to worry about getting permission from the State Capital, or getting public authorization of specifically-designated bond issues.

The easy way to get money from Uncle Sam (for a domestic give-away, that is, foreign aid is the easiest way of all) is to dream up some "urban renewal" plan. And priority for such give-aways goes to the "Metropolitan Area Government."

Now, one hundred million dollars is big business and it deserves a special agency to administer same. Such an agency could eliminate the State as a "middle man" and Federal could deal with the community directly, knocking out State interference, eventually making State government unnecessary. Thus could the Communist aim of putting all power in one place - Washington, D.C. - be accomplished with the local yokels happily contributing to their own destruction.

So, the newest and most dangerous scheme since the recognition of Soviet Russia in 1933, is a plan to establish a new Presidential Cabinet post to deal directly with Metropolitan areas!

Comment is hardly necessary. We'll simply quote from an Associated Press item dated Boston, December 2, 1958
